DEDICATION

IN RECOGNITION OF THEIR VALIANT DEEDS AND
SACRIFICES, WE, THE SENIOR CLASS OF 1946, DEDI-
CATE THIS VOLUME OF "THE MONTICELLO" TO ALL
THOSE OF OUR ALUMNI WHO, BY GOING FORTH TO
SERVE IN OUR NATION'S ARMED FORCES, HAVE
HELPED BRING TO OUR WORLD PEACE AND SECURITY

FOREWORD

Today the ideals in which Thomas Jefferson believed are of as much importance as they were when he was living. In his time rebellion against an oppressing government established a new nation founded on the principles that life, liberty, and the pursuit of happiness are the unalienable rights of every man. In our time we have overpowered the forces of Fascism and Nazism and established a union of nations to try to secure for all men for all time freedom of speech, freedom of religion, freedom from want, and freedom from fear.

Because of the kinship of his ideas and ours we have chosen Thomas Jefferson as our theme. We hope that in presenting this volume of "The Monticello," centered as it is around the man for whom our school was named, we have not only recorded our own experiences but have also pictured the life and times of his day.

MEMORIES OF A SENIOR

Have you ever played the game of Remember When? I did the other night at commencement, while listening to Mary Lee. She started me reminiscing over our three years at Tee Jay — years filled with pleasant memories. It all began the day we were herded like cattle into the auditorium. We meekly allowed ourselves to be distributed throughout the school in 2L homerooms, with the exception of that Brotemarkle girl, who started off with the 3H's, but soon was put in her place.

Although we were inexperienced rats, we showed good taste when we selected "Miss Fitz" as our sponsor and Clarice, Mary Lee, Mary Howard, and Betsy as officers. Our class was taking everything in its stride, even the Cadet Hop, as both masculine and feminine Sophomores attended in all their glory.

Remember how certain we were that because of our inspiring faces in the bleachers and our lusty cheers the football team captured the State Class A Championship? Not to be outdone, our basketball team brought home the bacon, too.

With the traditional Sophomore Paper Drive we got our first taste of class co-operation. It was a howling success in spite of Jerry Gumenick's stacking the paper outside the door and letting the wind whisk it away. Remember how "Miss Fitz" spent the next week picking up bits of paper from the school grounds?

March 8, 1944, a black and blue day in our lives, was the date of our Sophomore Skating Party. Most of the girls spent the day falling (for the good-looking attendants). Some of us were really good, though. Remember Joann Bowles? Having had a slight taste of social life, we decided to bite off a bigger hunk by throwing a tealess tea dance. The surprise of the afternoon came with "Miss Fitz's" bathing beauty, Abe Heller, who, all bonneted and beamed, had been given a rush by the boys. As I was reminiscing about Bobby Joyce's comedy skit, it suddenly dawned on me that the applause ringing in my ears was not for him, but for Mary Lee, who had just finished her president's address of welcome.

When the first commencement speaker got up, I vowed I'd pay attention, but somehow my thoughts drifted back to my Junior Year. The Class Membership Drive, led by Clarice, Mary Lee, Jeanne Chalifoux and Bruce Hamilton, was one hundred percent successful.

Our Junior cheerleaders, Mary Ann Spain and Doot Dunford, exerting themselves at the T. J.-J. M. game, were probably the reason that the newspaper failed to catch the point we made after THE one and only touchdown.

Around December 15 the members of the Junior Class were anxiously awaiting their first Senior-Junior Dance, especially Clarice Ryland and Robert Trombold, who were to assist Rugh Nenzel and Vincent Snell in the figure.

MEMORIES OF A SENIOR

The thrill that comes once in a lifetime came Junior Class Night in our stupendous variety show "Once in a Lifetime." In September forty Juniors started to create our show, but by February, when those hectic rehearsals started, there were left only five care-worn souls tearing their hair over a worn script. Then came THE day, March 2, and Betsy Herrink's dancers opened the show with a burst of patriotism. In the colorful first act Ronald Levin made a monkey of himself, while Buddy Reuhl squeezed his accordion for that dancing dolly, Deborah Lewis. After Jeanne Chalifoux had thrilled us by playing her harp, the waltzers, including Charlie Schuman and his chewing gum, took over the remainder of the second act. In the third act Lawson was back as master of ceremonies, assisted by those two comedians (?), Bobby Joyce and Tommy Applewhite. Music was furnished in this act by the "Voice" (Virginia Westbrook), Clarice Ryland and her Coon Valley boys and gals, and Professors Gwendolyn Isbell and Daniel Bray, pounding out their Rhapsody in Pink (Opus 6 $\frac{7}{8}$ of course).

As I recalled the great success of our show, I thought how much credit was due "Miss Fitz" and the others behind the stage who worked tirelessly to make our Junior Class Night the hit that it was and the precious memory it always will be.

Our basketball team shot its way through the Central District Championship and the semi-finals, but I hate to remember what happened at Alexandria.

We'll never forget those pink and white decorations for our dance in honor of the seniors. More confident this time than before, Clarice and Bob proudly headed the marching lines of Juniors and Seniors. All the girls in the figure were jittery when they couldn't get their escorts to begin waltzing after leading them timidly through the rose-covered arch.

It seems as if historical occurrences followed us through our high school career. We had D-Day when we were Sophomores, and in April of our Junior year we were shocked by the death of President Franklin D. Roosevelt. Even though just high school students, we realized how tragic it was that he could not have lived until May 14 brought victory in Europe.

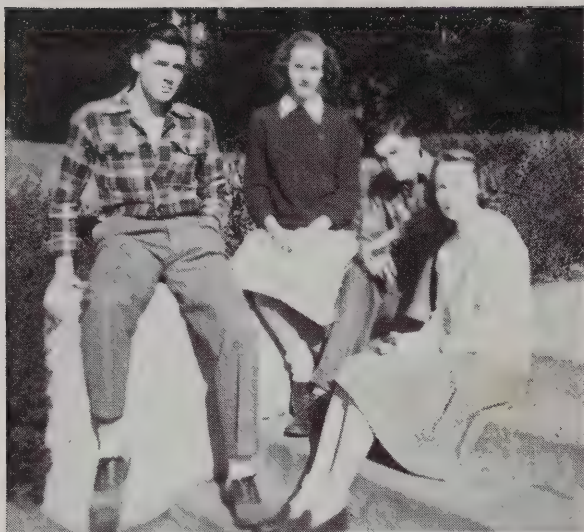

As far as I can remember the summer went along uneventfully until the surrender of Japan on August 6. Thus our senior year began with the hope of universal peace. We saw effects of the end of the war in the return of the veterans — some of them actually returning to high school.

The class membership drive, ushered in by those "operatic artists," Cara Fan, Gwenny, Lawson, and Tee Jay's personality plus boy (Billy Bryan), was 99 44/100% perfect.

The S. P.'s equivalent of the Four Horsemen of the Apocalypse, Lawson, Skippy Forrest, Gwen, and Betsy, went galloping through the halls rounding up the

MEMORIES OF A SENIOR

willing but unsuspecting rats to serve on committees.

Walloping Jay Em 46 to 0 in our annual TRACK MEET, with co-captains Howren and Foxworth breezing up and down the gridiron, is the most thrilling memory of our successful football season.

At the Thanksgiving Cadet Ball Mr. Woody, the new corps counsellor, accompanied by Captain Cardona, watched the figure planned and led by First Captain Jack Chevalier and his sponsor, Ann Sullivan.

The cadets might have thought they had difficulties when they practiced for their figure, but the hardships encountered by the Senior-Junior dancers were overwhelming. First there was the flu epidemic, which took out our President, Mary Lee Rankin, and our Secretary, Shirley Snell. The masculine portion of the officers was stronger; Billy Trevvett, Vice-President, was out only two days, while Lou Shilling, our healthy Treasurer, was divided between keeping up with his figure date and practicing basketball.

Remember how Old Man Winter laid down such a barrage of well-known white crystalline substance that most of the teachers chaperoning had to leave the dance about 9:30? In spite of everything Mary Lee and Jim Singleton, assisted by Vernon Walton and Gladys Grosch, did a fine job of leading the figure.

I'll never forget the big rush we had to get ready for mid-term commencement. With the term tests behind us, we found that the usual number had fallen by the wayside, leaving 104 to graduate.

At this moment Mr. Hancock jarred me back into consciousness as he rose to introduce Dr. Miller, who started giving out those little scrolls for which we had worked so hard. To escape the nervous tension of this long-awaited thrill, I sent the pleasant memories of the February Rat Assembly racing through my mind. I can see Tommy and Danny now all dressed up in their bow ties and droopy pants, strolling across the stage, the image of bewildered rats.

Oh, gosh! Remember how excited we were when our basketball team, with Donald and Jack as co-captains, led us through the semi-finals? Tough luck, Granby! In the nerve-racking championship game, Jefferson triumphed over Jefferson (thanks for the trophy, boys).

The Senior Class Play, "Brother Goose," opened our spring season with Lawson Crowe's talented performance at the sewing machine, leaving us in stitches. But Robbie Cromar really stole the show as the perfect ten-year-old tomboy who exasperated her whole family.

Senior Class Day and our swell picnic at the University of Richmond climaxed our last year.

My game of remembering suddenly halted when I heard my name called. Well, there it was — that diploma I'd been waiting for. Now that I had it I finally realized how much Tee Jay had meant to me.

THE POINT SYSTEM AWARD

The point system award is presented to students who do outstanding service for our school. It has the same significance that membership in the Honor Society has for students who make high grades, that membership in the Quill and Scroll has for those who work on publications, and that the school monograms have for those who are outstanding in athletics. It is an honor to receive this medal, which is worn with pride by those who have earned it.

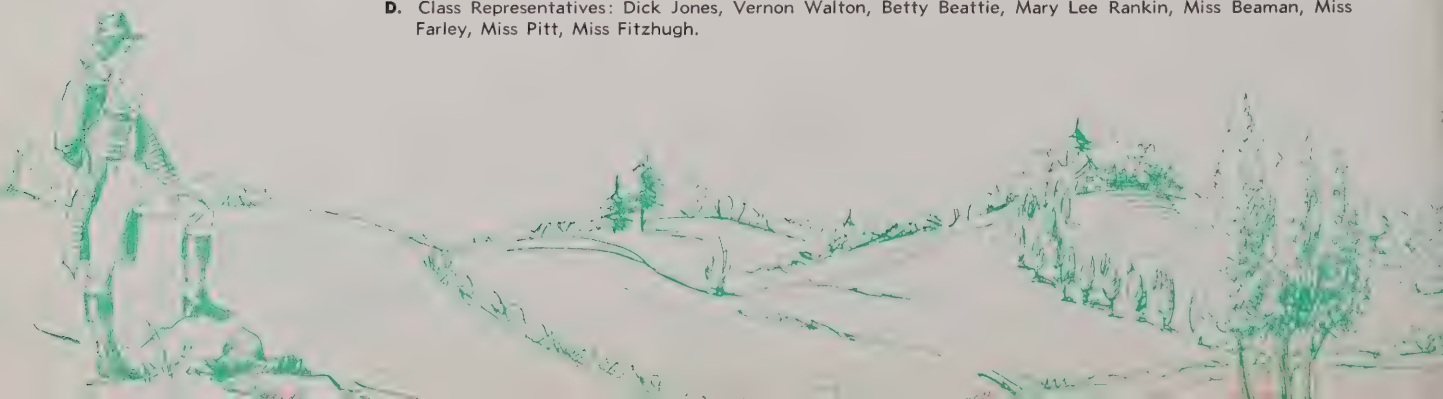

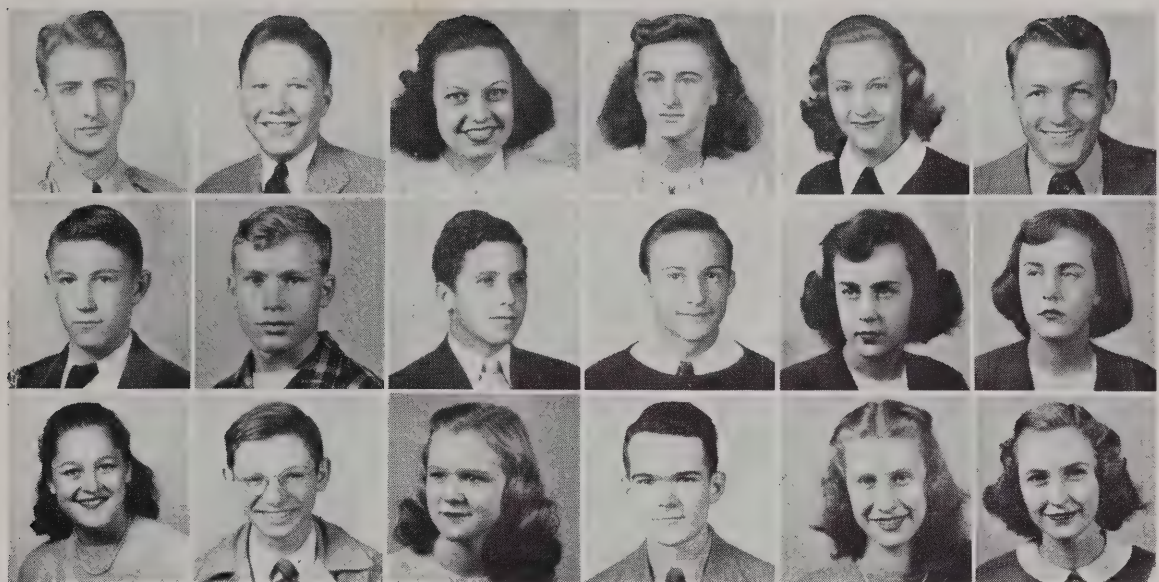

Board of Coordination

As the name implies, the Board of Coordination regulates all the extra-curricular activities of the school into a varied and smoothly running program. One of the first things which the Board does each term is to draw up a calendar of events and to see that club meetings, sports, dances, plays, and other activities do not conflict. This group, which is made up of twenty-four students and faculty members, also discusses school problems presented by any individual or group. • The Student Participation Association, both staffs of each publication, the three classes, athletics, music, cadets, and individual clubs are represented in this organization. • It is the aim of the B. O. C. to uphold the fine standards of all Tee Jay organizations. The promotion of the last great Victory Loan Drive has been the B. O. C.'s major accomplishment this term.

- A. Publications Representatives: Polly Nasser, George Bryson, Shirley Snell, Nancy Brotemarkle.
- B. Student Participation Representatives: Miss Gary, Miss Singleton, Skippy Forrest, Elizabeth Herrink, Gwen Isbell, Lawson Crowe.
- C. Sports, Music, Cadet Representatives: Lawson Crowe, Bobby Pollard, Mr. Noble, Mrs. Young, Bobby Rudd, Wayland Rennie, Cara Fan Hogshead.
- D. Class Representatives: Dick Jones, Vernon Walton, Betty Beattie, Mary Lee Rankin, Miss Beaman, Miss Farley, Miss Pitt, Miss Fitzhugh.

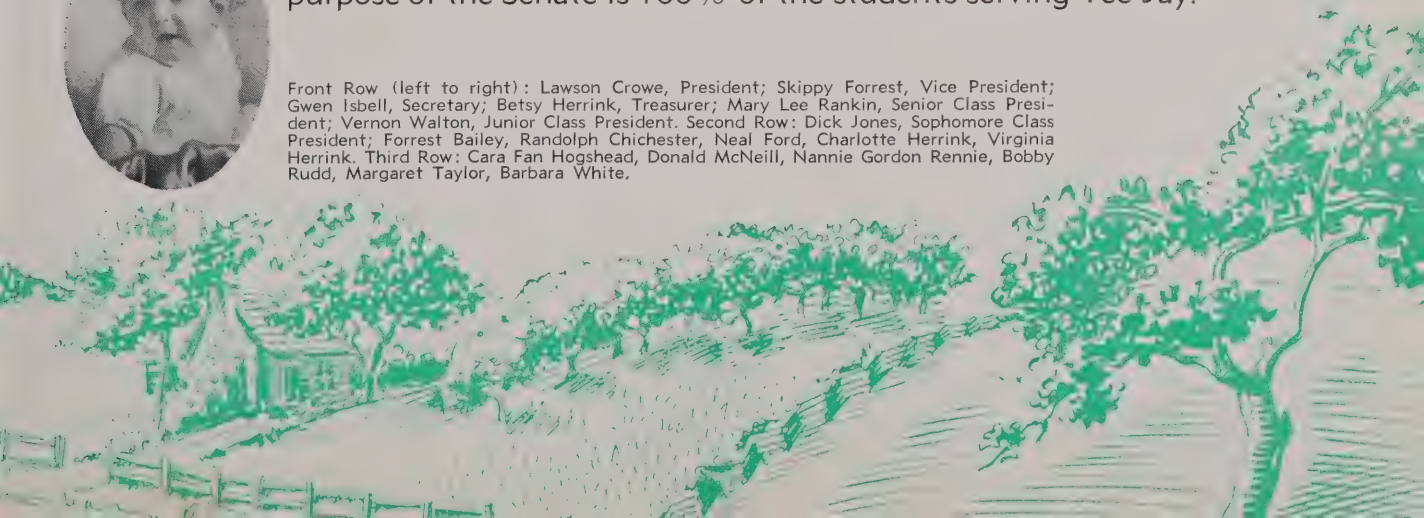

The Senate

The Senate is the executive body of Thomas Jefferson. There are eighteen senators in this group, four student participation officers, three class presidents, one sophomore senator, five junior, and five senior senators. The President of Student Participation presides over the Senate and the Senior assembly, while the Vice-President presides over the House of Representatives and Junior Assembly. Each Student Participation committee is headed by a member of the Senate. Meetings are held in fourth period every Tuesday in room 408. Members of the Senate are elected annually by the student body for their ability and leadership. Senators strive to promote interest in Student Participation activities and influence the students through their service and leadership. The ultimate purpose of the Senate is 100% of the students serving Tee Jay.

House of Representatives

One of the privileges of being a student at Tee Jay is to become a member of the House of Representatives. The House, which meets in 218 every other Monday at 3:15, acts as a link between the homeroom and the school. • The meeting is called to order by the president of the House, who is Vice-President of Student Participation. The secretary reads the minutes, and then discussion concerning activities of Thomas Jefferson students is begun. • The greatest accomplishment of the House for the year 1945-46 was

the sale of bonds in the Victory Bond Drive. The quota of this school was \$90,000, but the Tee Jay students did even better. The total sales of bonds amounted to \$96,000. This was a gigantic task, but the students were happy to do it for their country. • The achievements of the House of Representatives are an asset to Thomas Jefferson and have contributed to the development of Student Participation.

Character Building Committee

The Character Building Committee tries to set a level of standards for the school as a whole through interesting and beneficial home room programs to emphasize the responsibility of each individual in improving his own character. Through thoughtful consideration and discussion of those traits which are desirable, assets in public and private life are promoted. • The Steering Committee and the home room representatives work together to promote higher ideals in school life in order to help make better citizens not only of Tee Jay, but also of America.

The late bell has rung. As the student chairman goes about his task of checking the roll, filling out library slips, and signing notes from teachers, the study becomes quiet and the students settle down to work. ● A student who wishes to be in an honor study signs up in his homeroom. If he has the qualifications, he is assigned to one. To remain in the study the student must sign a pledge to work earnestly and to remain quiet during the period. ● Members of Tee Jay's honor study halls may be proud of a workable honor system in their school.

Fourth Row: Carolyn Bell, Jean Brooks, Wanda Cervarich, Hamp Davis.

Cafeteria Committee

The Cafeteria Committee, the largest committee and one of the first organized by the Student Participation Association, continues its fine record of previous years. The purpose of the committee is to keep the cafeteria clean and orderly at all times and to help students to make this part of their school life pleasant and enjoyable. The members, with the assistance of their sponsor, Miss Gill, strive to keep lines straight, to see that the tables are left clear, and to prevent noise and confusion. Each member gives up half of his recess every third week to perform these services for the school. By taking advantage of the oppor-

tunity of serving on this committee, a student not only serves Thomas Jefferson but also becomes a dependable leader and develops a stronger interest in school activities. Members who prove their efficiency are made captains. The committee is headed by four senate chairmen, Betsy Herrink, Cara Fan Hogshead, Neal Ford, and Randolph Chichester, each of whom is responsible for half of one recess.

Recreation Hall Committee

In the recreation hall the students who bring their lunches find a pleasant place to eat and chat, or even to study. The committee tries to keep the hall clean and reasonably quiet and orderly. Members are stationed at the doors to prevent anyone from entering the last ten minutes of each recess, as there is not room to accommodate additional people, and it is felt that students should be out-of-doors as much as possible. There are faculty advisers ready and willing to give advice to anyone on the entire committee. ● The boys' section is divided into two shifts, with a captain heading each shift to supervise the work of his fellow Committee members. This year the boys' committee has had to serve on continuous duty for the entire term, instead of the usual alternate week — a tremendous job, but one well done. At the head is a Senate chairman, assisted in his duties by an executive chairman. ● The organization of the girls' section is much the same as the boys'. Each shift works on alternate weeks, for only one half of the recess, thus allowing time for the members to eat and associate with their friends. A Senate chairman heads the group.

First Row (left to right): Charlotte Herrink, co-chairman; Betsy Bethune, Dee Curry, Betty Doucett, Marilyn Searcy, Mary Westbrook, captains; Joyce Biiley. MESSENGER COMMITTEE (left to right): Charlotte Herrink, Chairman; Janeth Faison, Virginia Herrink, Lucy James, Bobbie Pollard. Not Pictured: Billy Bryan, Beverly Nuckols, Carole Sachs, Betty Schulze, Sue Stater.

The Messenger Committee

The Messenger Committee was organized for the purpose of delivering notices for all committees of the Student Participation Association. All messages which are to be delivered are turned in to the Student Participation office before the close of school, and the following morning the members of the committee receive the notices and distribute them to the indicated rooms. The committee consists of a chairman and nine members who serve in shifts of three every third week. The work carried on by this group is appreciated by both faculty and students.

Reception Desk Committee

Very often a visitor's first impression of Thomas Jefferson is strongly influenced by Mary, Jane, or Sue — or any one of the girls who serve on the Reception Desk Committee. Each member of this committee must serve one study period a day, every other week, and she must also be familiar with the school. Those at the desk do not simply tell the visitor where to go, but, if necessary, escort him to his destination. Truly, these young ladies can be called the hostesses of Thomas Jefferson.

RECEPTION DESK: First Row (left to right): Joyce Adams, Jean Beasley, Jackie Berz, Jean Clark, Iris Cumby, Janeth Faison, Dot Franklin, Jean Hawkins. Second Row: Doris Layne, Helen MacNab, Barbara Macy, Barbara Martin, Keturah Patrick, Bobbie Pollard, Jackie Vial, Norma Will. Not Photographed: Phyllis Arrington, Elise Bellenot, Nancy Miller, Sylvia Stein, Virginia Sowell, Doris Tatarsky.

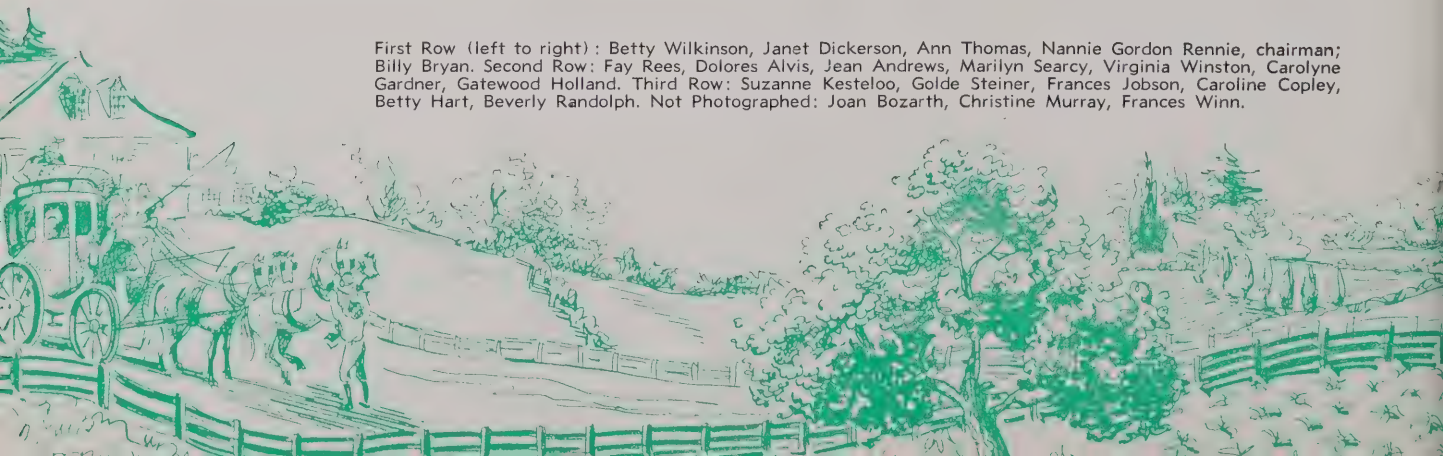

Bulletin Board Committee

The bulletin boards are constantly reminding us of the games, activities, and social events of the school. This year they played an important part in promoting the Victory Loan Drive. Two of the boards have special functions. The one in the front hall on the first floor advertises lost and found articles. Opposite the service flag on the second floor is our service men's bulletin board, on which are displayed newspaper clippings and letters concerning former Tee Jay students who have served in the armed forces. ● The members of the committee work in shifts, each member taking charge of one bulletin board for a week at a time, and being responsible for keeping it neat, attractive, and up-to-date. Some of the more talented members of the committee have made attractive and timely posters for special occasions.

First Row (left to right): Betty Wilkinson, Janet Dickerson, Ann Thomas, Nannie Gordon Rennie, chairman; Billy Bryan. Second Row: Fay Rees, Dolores Alvis, Jean Andrews, Marilyn Searcy, Virginia Winston, Carolyne Gardner, Gatewood Holland. Third Row: Suzanne Kesteloo, Golde Steiner, Frances Jobson, Caroline Copley, Betty Hart, Beverly Randolph. Not Photographed: Joan Bozarth, Christine Murray, Frances Winn.

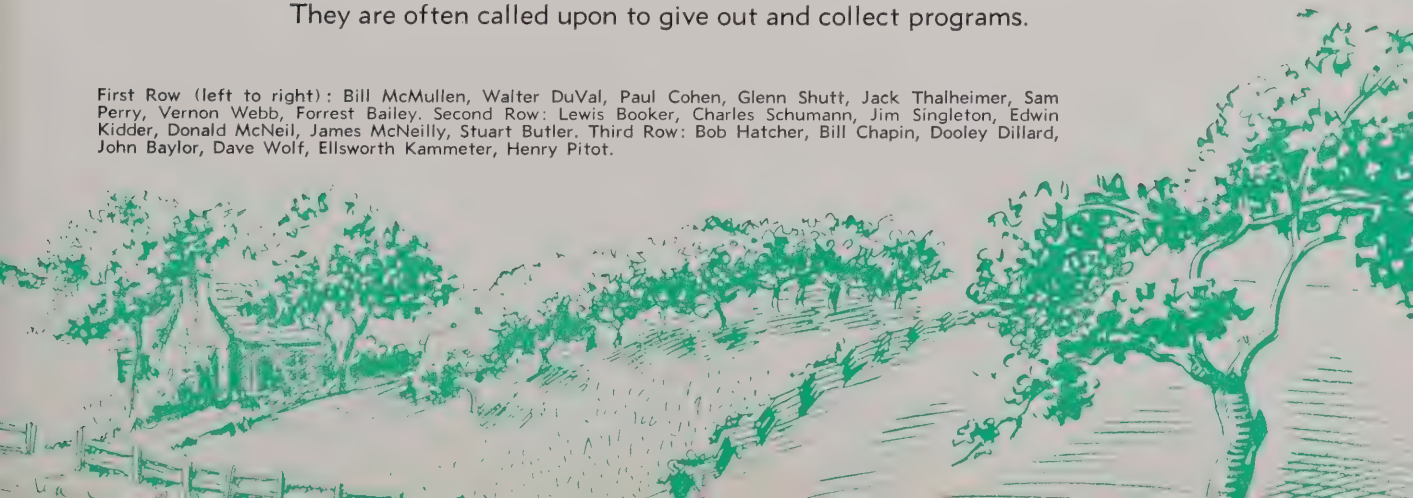

Traffic and Usher Committees

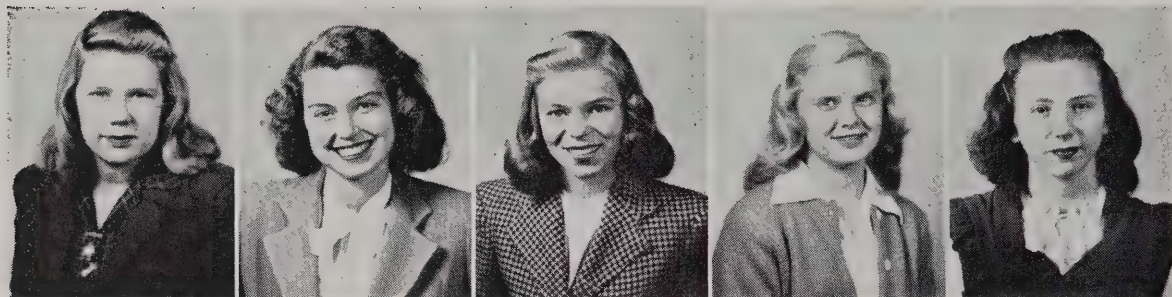

The members of the traffic committee, stationed at strategic positions in the halls, have succeeded, with the cooperation of the students, in making our halls safe. Although many problems have arisen during the school year, they have been met and dealt with efficiently by the committee. Two new positions have been added this year on the first floor to prevent unnecessary speed on the way to the cafeteria at recess.

.

On the usher committee there are twelve boys, six for the Senior Assembly and six for the Junior Assembly. These boys are stationed at the doors of the auditorium and do not allow anyone to enter after the program has started. They are often called upon to give out and collect programs.

First Row (left to right): Bill McMullen, Walter DuVal, Paul Cohen, Glenn Shutt, Jack Thalheimer, Sam Perry, Vernon Webb, Forrest Bailey. Not Pictured: Ann Bowers, Lois Boyd, Eleanor Broderson, Gloria Bullock, Joan Eardley, Betty Foster, Yvonne Griggs, Bobbie Howard, Pat Lewis, Doris Mosely, Jean Norman, Elena Smorto, Betty Woody.

Nurse's Aid Committee

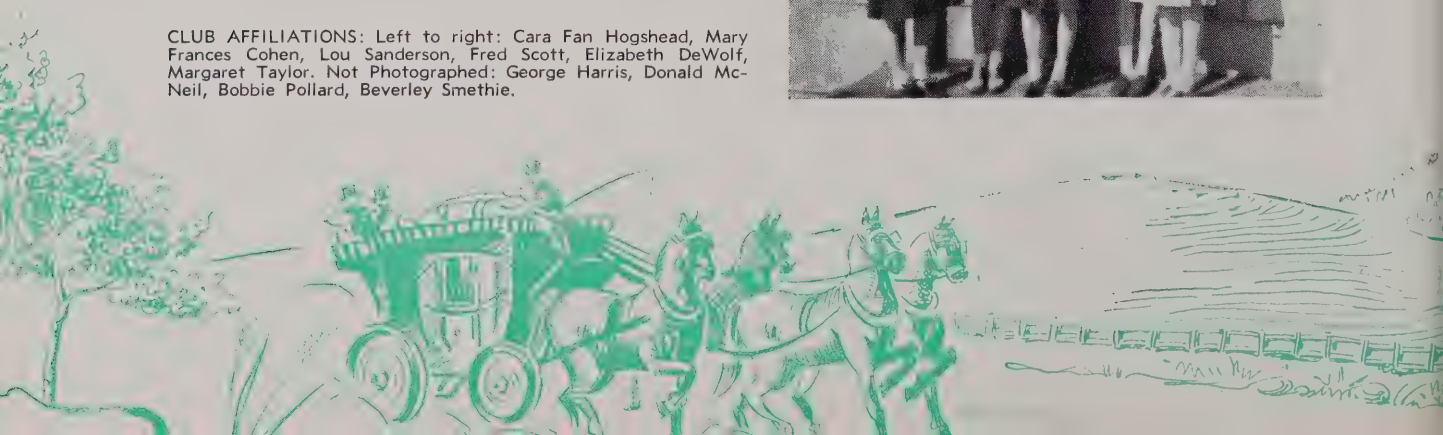

Our nurse is aided each period of the day by a girl who is interested in helping her with her duties and who has one study period a day which she can give up. The aids' duties are numerous, varying from running errands to giving aspirins. Not only do these girls render a real service to the school, but they receive valuable training as well.

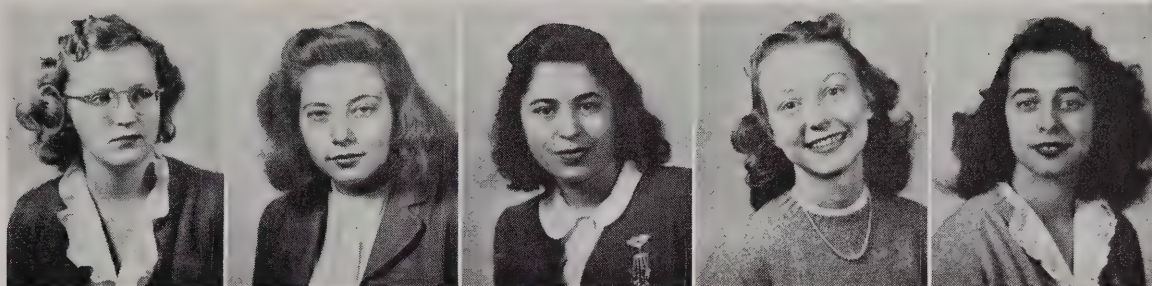

Club Affiliations Committee

The Club Affiliations Committee, composed of a representative from each school club, regulates problems concerning the organizations such as time and place of meetings, securing sponsors, improving the attendance, and arousing enthusiasm. The representatives also bring in suggestions for improvements, and for forming new clubs. A member of the committee attends the House of Representatives meetings to keep the home rooms informed about club activities and to keep the clubs informed about school projects.

CLUB AFFILIATIONS: Left to right: Cara Fan Hogshead, Mary Frances Cohen, Lou Sanderson, Fred Scott, Elizabeth DeWolf, Margaret Taylor. Not Photographed: George Harris, Donald McNeil, Bobbie Pollard, Beverley Smethie.

Guidance Aid Committee

The Guidance Aid Committee is divided into two groups — one working in the guidance office and the other in the counselors' office. Each period, including home room period, a committee member helps our counselors by running errands, keeping the files neat and orderly, and by doing any other necessary tasks.

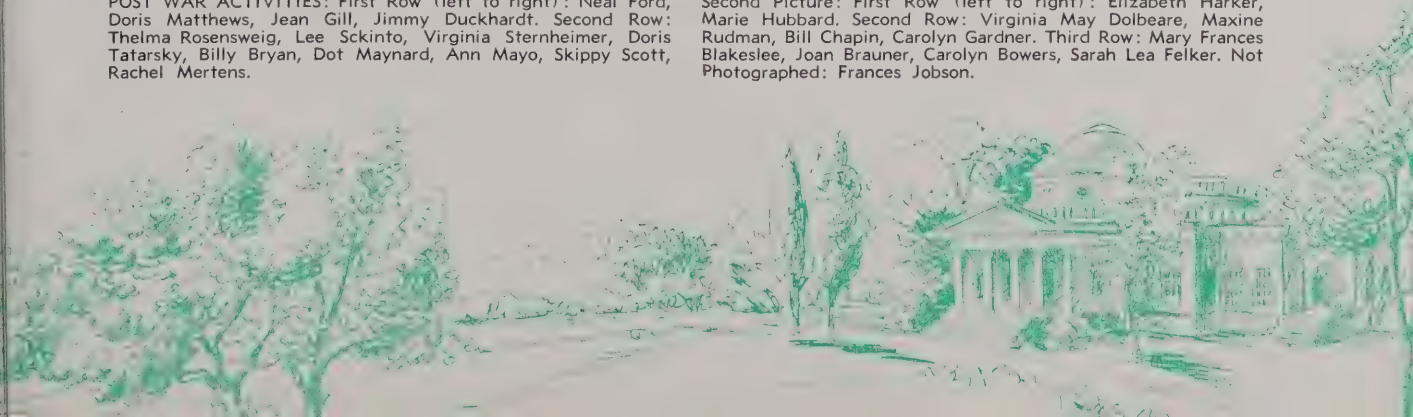

Post-War Activities Committee

The Post-War Activities Committee was organized this year to carry out patriotic projects with which the school might be called upon to help. The members serve in three groups: those who prepare the war stamp orders each week, those who sell the stamps, and those who give publicity to our goals and accomplishments. In the great Victory Bond Drive our school sold over a hundred thousand dollars' worth of bonds, greatly exceeding our quota.

DAILY REPORTS COMMITTEE: Barbara White, Mary Lee Clopton, Harriet Butterworth, Betty Lee Doucett, Garland Hood.

ABSENTEE SHEET COMMITTEE: Ruby Watkins, Christine Coats, Peggy Lloyd, Judy Speake, Joyce Ann Kelly, Muriel Hodges, Shirley Upchurch.

Committee on Attendance Records

To furnish teachers with a record of absent students there are two committees which assist the Daily Reports and Absentee Sheet Committees. A member of the Daily Reports Committee collects the reports from the home rooms on each floor during the first period. From the information thus gathered an absentee sheet is mimeographed. The students on the Absentee Sheet Committee then take the record to all rooms in the school at the third period.

Office Aid Committee

The Office Aid Committee is made up of students who have volunteered to help the office staff and the principal in all ways possible. The duties of the members are to run errands, look up information, carry messages, sort the mail, help the students who come in late, and do other necessary tasks. All members have one study period a day which they can devote to this work.

Library Committee

The Library Committee consists of twenty-nine students, whose duties are to take up library slips and to check the time. They keep the library in order and assist the librarians in any way possible. Under the sponsorship of Miss Clyde Carter and Mrs. Frances Young, this committee functions smoothly and quietly. For each period there are four students, working in shifts in alternate weeks. The committee has no regular meetings, but occasional meetings are called to help the members with their work and to discuss various things concerning the work of the library. This committee is greatly appreciated by both faculty and students.

National Honor Society

Membership in the Thomas Jefferson Chapter of the National Honor Society is based on the qualities of leadership, character, service, and scholarship. Assisted by its sponsors, Miss Stephenson and Miss Williams, the society strives to live up to its pledge and to take an active part in school activities. Coaching fellow students is the outstanding project of this society.

Membership in Quill and Scroll is an honor that all student journalists desire. One must be recommended for distinguished work on one of the school publications, either in the field of writing or in business management. • This year Quill and Scroll has had two projects. The first was an assembly for sophomores, explaining the publications and urging their support. The second was a special section in "The Declaration," containing only work of Quill and Scroll members.

The Jeffersonian Literary Staff

Rounding out fifteen years of pleasing the public, just in time to celebrate its birthday, "The Jeffersonian" Literary Staff decided this spring to publish a six-page Jeffersonian. More pictures and book paper were two important features of this new publication. More sports and feature stories were also inserted, and the news was presented in a more interesting fashion.

Since 1931, "The Jeffersonian" has informed students of sports and events of home room and school interest, besides carrying special features, gossip, and news of the world

by way of editorials. The staff has always striven to produce a finer publication than ever before.

This year, under the supervision of Mr. Clyde B. Fortna, and the leadership of Editor-in-Chief Polly Nasser, the staff has attempted to adjust the students to a world of peace. Several polls were conducted by the paper in order to get student opinions on world events, such as the United Nations Organization.

"The Jeffersonian" has received International First Place and a Quill and Scroll "A" "for notable promotion of United States war and peace news" by the Critical Service of the Quill and Scroll International Association.

Jeffersonian Business Staff

This year "The Jeffersonian" business staff has far excelled its previous record. At the end of the special 100%-for-the-term drive in September, forty-three homes received a dollar prize, signifying that they had reached that goal. Ninety-six per cent of the students were buying the paper, and a hundred alumni were having mail subscriptions sent to them. Thirty-five complimentary copies were being sent out. "The Jeffersonian" exchanged with fifty other Pacemaker and Medalist papers. The exchange editors also wrote a column containing bits of interesting news from other papers. ● In February "The Jeffersonian" became a five-column, six-page paper, and the cost per issue was changed to ten cents. A term subscription of six issues was sold to students in the school for fifty cents. The prices to mail subscribers were raised to seventy-five cents per term and \$1.25 per year. ● A special issue published by "The Jeffersonian" in cooperation with the Senior Class appeared on May 24. It contained news of special interest to the seniors. ● The advertising staff of "The Jeffersonian" met every Thursday to discuss ads, layouts, and copy. One of the high spots of the year was the trip that the members of the staff made to the printer's, where they saw "The Jeffersonian" set up in type, ready to be printed the following day. ● The efforts of the staff have been devoted to the improvement and enlargement of old and new ads.

Jeffersonian Lieutenants

At the beginning of the term, each homeroom chooses a "Jeffersonian" lieutenant. His job is to collect money from subscribers and turn it into his captain, and to deliver the papers when they come out. Also he tries to stimulate interest in "The Jeffersonian" in order to obtain his goal of one hundred per cent subscribers in his room. If he is unusually successful, he may become captain and later win a staff position.

The Declaration

THE DECLARATION, the literary magazine of Thomas Jefferson, is published semi-annually by members of the class in creative writing under the direction of Miss Azile Berry and Miss Nancy Gary. The magazine, which was entered in the Columbia Scholastic Press Association for the first time in the spring of 1945, was given a second place in general rating and superior rating in the field of essay work. As has been the custom for several years, a biographical sketch of a prominent school personality has been included in each issue of the magazine. In addition, short stories, essays,

poems, and book reviews have been contributed by members of the class, members of other English classes throughout the school, and alumni. • The class which edits the spring edition of THE DECLARATION has been represented in THE MONTICELLO for the first time in the 1946 book. The staff has used summer sports as a theme for this spring issue of the magazine. All drawings and photography have dealt with sports, and to some extent the essays, stories, and poems have borne on that subject.

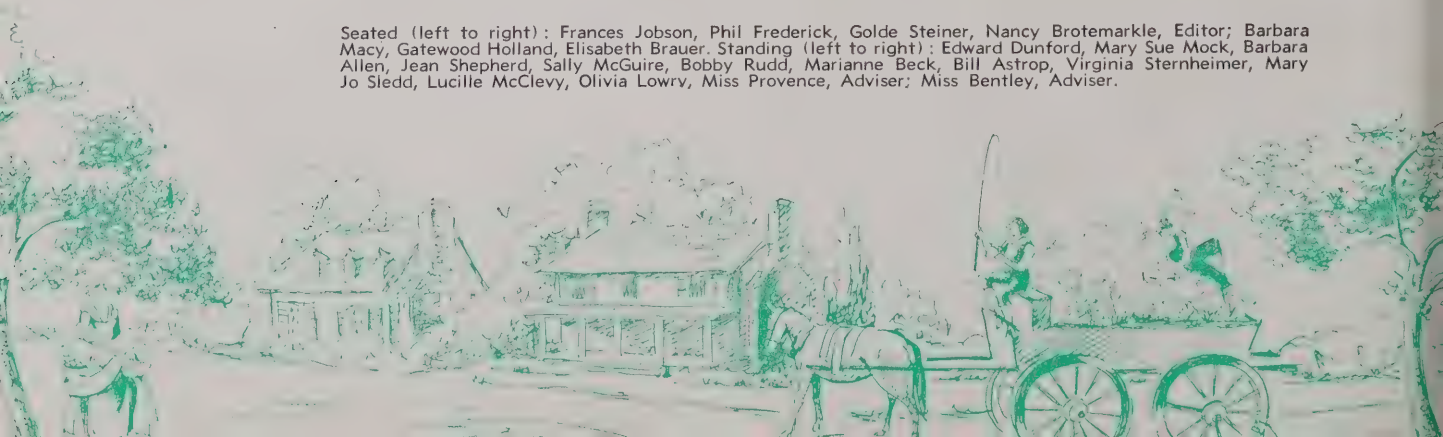

Monticello Literary Staff

No one can have a real idea of what goes into the publishing of "The Monticello" unless he has been on the staff. The work of this group naturally falls into two divisions. The Literary Staff is entrusted with the task of compiling the material for "The Monticello." With the aid of the Business Staff, the theme of the dedication, the general plan, and the color scheme of the annual are selected. After these decisions are made the vital work of editing begins with the writing of the dedication and foreword. ● The most important task of the senior editors is to assure each eligible senior who wishes representation in the annual that he is correctly identified. Another of their duties is the writing of the class history. While this is going on the club editors are collecting and revising the write-ups for their section. The military and sports editors must obtain specific information for their departments. The feature editor has the difficult task of being original. All editors working together check the pictures and plan and diagram the pages. During this time the staff artists have been illustrating the annual. ● Finally the copy is ready for the first printing. After this it is returned to the staff for proof reading. Then, their tasks over, they just sit and wait.

Monticello Business Staff

Every Friday during the fourth period there is a meeting in room 107 of "The Monticello" business staff. Under the expert guidance of Miss M. Frances Gray, the staff strives to achieve its yearly goal of \$ _____. At the beginning of the fall term everyone works hard to make and distribute senior picture appointments. The next step is attending to the junior class and club pictures. By November first all the members are very busy selling annuals and arranging for the mailing of those ordered by February graduates. Much time is spent during the entire year soliciting ads, checking advertising proof, and collecting money. Finally, when the last piece of proof has been returned to the printer, there is a short lull before the storm of distributing "The Monticello." ● At the end of the year, a banquet is held by both divisions of the staff to welcome the new members and honor the retiring staff. ● Even though the publication of an annual is arduous work, it affords much pleasure and valuable experience to all on the staff.

The Glee Club

The Glee Club is a group of about sixty boys and girls who are studying voice and enjoy singing. It meets every day during the fourth period. Under the capable leadership of Miss Thelma Cook, the group has presented several outstanding programs this year, and assisted with the Thanksgiving and Christmas programs. Public service has included singing over a local radio station for the Red Cross Drive.

The Girls' Glee Club

The Girls Glee Club, originally the Singing Forty, was reorganized in September 1945. This group, under the direction of Miss Thelma Cook, has taken part in a number of activities both in and out of school. The members have enjoyed presenting programs in assembly and giving concerts. Through the preparation of this work the members have added greatly to their store of musical knowledge.

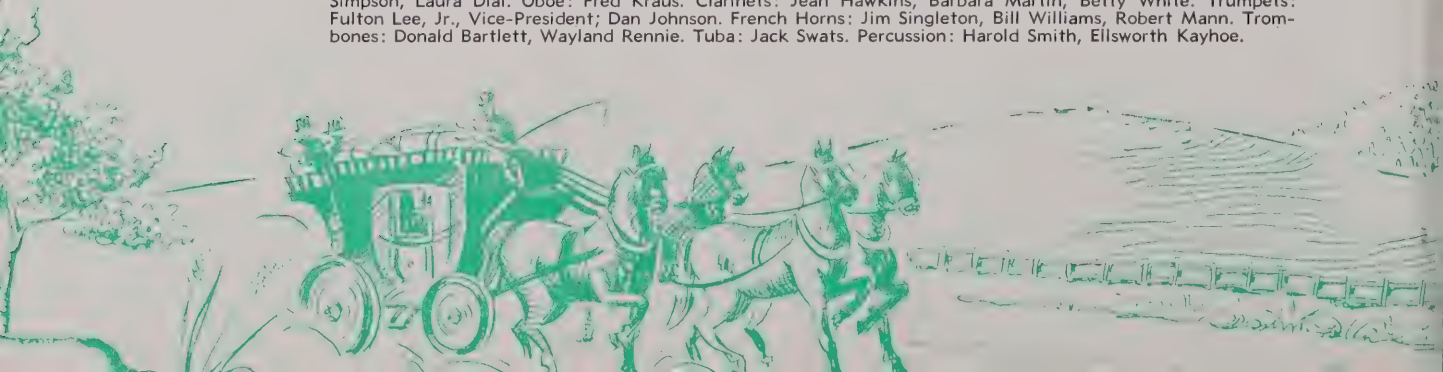

The Orchestra

The students at Thomas Jefferson who are musically inclined find membership in the Thomas Jefferson Orchestra a way to develop their skill and talent. The orchestra, conducted by Mr. Frank Wendt, has played for the Parking Lot Canteen, the Richmond War and Community Fund, the Valentine Museum, and the meeting of the Virginia Education Association, besides taking an active part in the school's assembly programs. Small ensembles, string, brass, and woodwind, chosen from the orchestra members, get additional experience in performing before audiences. All string players, furthermore, went to the String Clinic, and a few orchestra members went to the Band Clinic. The climax of the year's activities is reached, however, on the night of the Annual Spring Concert. It is there that the more difficult music, which has required many rehearsals, is performed.

ORCHESTRA MEMBERS: First Violins: Lou Sanderson, Concert Mistress; Ernestine Briesmeister, President; Barbara Broome, Nancy Howison, Cecil Bailey. Jeff Cleff Club

The purpose of the Jeff Clef Club is to build and maintain an interest in music, both classical and popular. The club has had programs on modern composers and on the music of various nationalities. Following out the good neighbor policy, a number of programs during the past year were devoted to Spanish, gypsy, and French music. The members not only listened to the music but also discussed the technique and expressions of the pieces. The club was fortunate in having outside artists to appear and also having the use of records of the Public Library. Among the most enjoyable programs of the club was one devoted to talent in the club, in which several members participated.

The Library Staff

The Library Staff is made up of eighteen students who have volunteered for one period each day to assist the librarians. Each student has a sincere interest in the library activities. Members attend to the borrowing and returning of books; they repair books and keep them in order; they type and file catalog cards; and they render other valuable services to the students in their problems concerning the library. Besides caring for the books, the staff prepares magazines and books for circulation. The members of the staff meet every other Friday during homeroom period to discuss matters which will help them to become more efficient. In addition to their regular daily work, some members of the Staff made posters for National Book Week.

The Book Club

The Thomas Jefferson Book Club, which was organized last year under the sponsorship of Miss Lucy Henderson of the English Department, is conducted for and by those students interested in reading. The sole purpose of the club is to increase enjoyment of reading through the discussion of old and new books. This purpose is further accomplished by book reviews, quizzes, lectures, and the purchase of books. • Any student meeting the approval of the group and showing an interest in the club may become a member. A member need not stay after school to attend the meetings, for they are held Friday during home room period in room 408.

The Spanish Club

The Spanish Club was formed for those students interested in the language and culture of the Spanish speaking countries. It is the aim of this club to promote more friendly inter-American relationships and to develop a keener interest in our neighbors "south of the border." The programs are planned to present a clearer picture of the customs and traditions of the Latin American countries. This aim is realized through the interpretation of Spanish dances, by having speakers who have lived in a South American country and have known its people intimately, and through music. Membership in the club is not limited to Spanish students, although the meetings are conducted in that language.

The Latin Club

The Latin Club, which is made up of the pupils of Latin 5 and 6 under Miss Kratz, meets on the first and third Mondays of each month during the fifth period in room 310. The name of the club, Roman Novorum Temporum, and the motto, "Non progredi est regredi," were selected by the members. The purpose of the club is to acquaint the members with the Latin customs and times, and to teach them something about the lives of famous Romans. The vice-president presents very interesting and varied programs, such as talks on well-known Romans and plays in which the Roman life and customs are presented. The members feel that they learn a great deal from these programs.

Tee-Jay Distributors' Club

The purpose of the Distributors' Club is to further retail training in the school and community, to inform students as to opportunities in the field of retailing, to develop leadership and right attitudes, and to provide group recreation for employed students. Prominent people in the field of retailing have been invited to speak at the business meetings, which are held during class period once a month. Field trips to local stores and social gatherings are also a part of the club's activities. Since we are affiliated with the State Distributors' Club, we send a delegate to the state conference held in Richmond in the spring. All members work in local stores and receive store training at school.

The Commercial Club

The Commercial Club, the oldest club at Thomas Jefferson, was organized to familiarize its members with aspects of the business world not covered in class work. A business meeting and a program are held monthly. The programs usually consist of speeches by prominent business people, field trips to industrial concerns, and socials. There are thirty-six active members of this year's club, which is sponsored by Miss Helen Botto.

The Forum

The Forum is made up of girls and boys who are interested in studying and discussing current problems which confront our country today. The members suggest the topics for their own programs. The students themselves prepare talks for some of the meetings. Frequently guest speakers are invited to talk to the club. Valuable discussions follow the speeches. The Forum has presented two assembly programs this year, one in October and one in March. Through the experience and training received in preparing programs and participating in discussions, students learn to approach the problems that they may meet in the future as well as those of the present.

Junior Red Cross Council

The Junior Red Cross, led by its fourteen councillors, has had a very busy year. It has sent boxes to war orphans and Christmas stockings to the soldiers at our local hospitals. It also distributed boxes of clothing to mountain children. It has undertaken more activities this year than ever before, and much satisfaction has been manifested in the completion of its work. Some of this work goes on continuously in volunteer groups. The Junior Red Cross realizes that it has had a big task to do since the end of the war in order to help make this a better world.

Councillors: Dot Franklin, President; Martha Foster, Vice President; Frances Jobson, Secretary; Ted Adams, Elizabeth DeWolf, Ann Flinn, Joyce Hooper, Theresa Ives, Maude Levey, Ronald Levin, Pat Smith, Shirley Spain, Gilbert Specter. Representatives: Gurdlyne Childress, LaVerne Croft, Mary Ann DuVal, Carolyn Flanders, Joann Folk, Elizabeth Harker, Dorothy Harvey, Lucille Hedley, Charlotte Kamsky, Jeanne Kelleher, Vivian Kuntz, Olivia Lowry, Barbara Macy, Charlotte Massey, Anne McClary, Ruth Morrissey, Betty O'Brien, Doris Parrish, Helen Pitt, Barbara Rogers, Barbara Sheppe, Betty Sheppe, Martha Ann Snead, Anne Stone, Mary Lee Trombold, Betty Lee Tuck, Marilyn Walseth, Susan Walton, Betty Wilkinson, Margery Williams, Martha Wood.

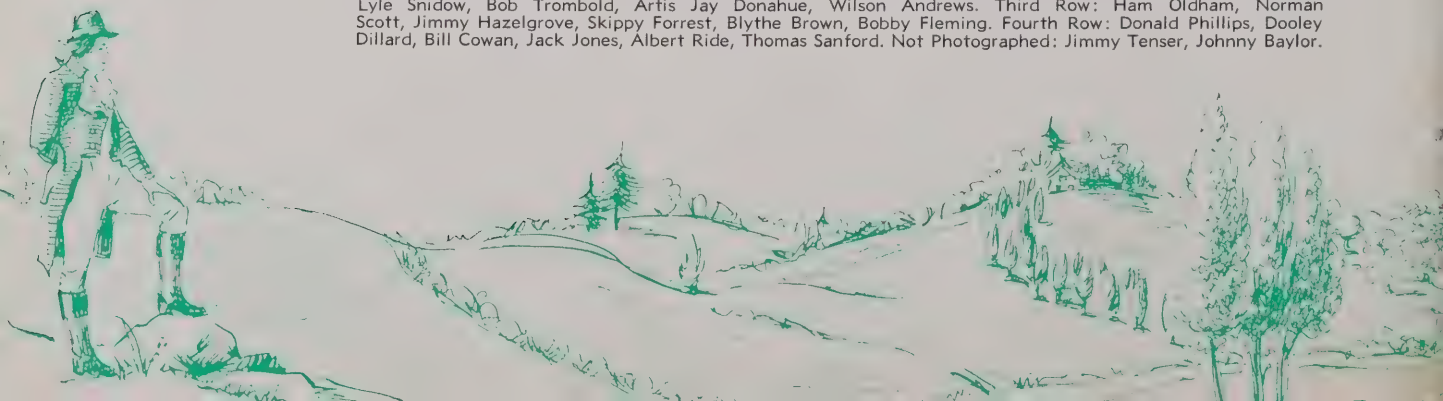

Tee-Jay Hi-Y—Chapter I

The H-Y started off this term with two programs to help make our school a better place to live in, one on cleanliness of the school and the other on honesty. Through these programs more boys became interested in the principles of the Hi-Y, so many that a new chapter had to be formed. ● Our first social event was the annual Victory Dance after the T. J.-J. M. game. This was followed by an outing and a banquet. The Hi-Y was also represented in the Y. M. C. A. Basketball League. We had plenty of good clean fun whenever the club got together. ● The money made at our social function was not spent entirely for pleasure. A large sum was given to such charities as the Red Cross, the Community Fund, and the Christmas Mother. In all we had a very successful term. We feel that we have fulfilled our pledge, which is "To create, maintain, and extend throughout our school and community, high standards of Christian Character."

Girl Reserves Club

The Girl Reserves Club is an organization sponsored by the Young Women's Christian Association which tries to give girls the things they want through fun, new friendships, new experiences, better understanding of how to get along with people, and a faith for everyday living that helps them meet difficulties. ● The club meets at the school on the first and third Tuesdays of each month and welcomes girls of all faiths. The club adviser is Miss Jeanette Henna.

Laboratory Assistants

It is a combination of fun and work to be a chemistry or biology laboratory assistant. Between helping the teacher and keeping the stock rooms orderly, one has plenty of time to examine plaster jaws and learn the intricacies of bandaging a burned finger so it won't hurt. ● To be chosen as a laboratory assistant one must have an interest in science, a good character, high scholarship, dependability, and the willingness to shoulder responsibility. ● The biology assistant helps the teacher whenever necessary, distributing and collecting material during the period. The chemistry assistant unlocks the desks in the laboratory at the beginning of the period, and locks them at the end. He helps the teacher get chemicals and has charge of the stock. To do all this, one study a day every day is required. ● Although laboratory assistants are not alternated, as many committees are, the students still enjoy their work and find ample time for study.

If the offender is found guilty, the Honor Court decides the appropriate punishment. The meetings of the Honor Court are called by the chairman, who is elected by the members. The membership consists of commissioned officers, not below the rank of captain. The emblem of the Honor Court is a golden eagle worn on the left sleeve of the uniform. The Honor Court performs an important function in preserving the dignity and good name of the Thomas Jefferson Corps.

THOMAS JEFFERSON CADET CORPS

The Thomas Jefferson Cadet Corps, in four short years, has made tremendous progress. During their first term the cadets mastered the art of close order drill, which led to their being recognized by the Army as a 55-C unit. After this rating had been received, the Army supplied the Corps with Enfield rifles to replace the original wooden dummies. The Corps' training program was then broadened to take in extended order drill, first aid, map reading, machine gun, hand grenade, and tent pitching instruction. This course is designed to give every boy who desired it, a fundamental knowledge of the functions of a soldier, so that if he is called upon to serve his country, he will not be altogether unprepared.

The Corps Counselor, Mr. Woody, is one of the most important persons connected with the Corps. It is the duty of this faculty member to direct the figure practices for the cadet dance and to represent the interests of the Corps among the faculty. The Corps Counselor is elected by the vote of the Corps at large.

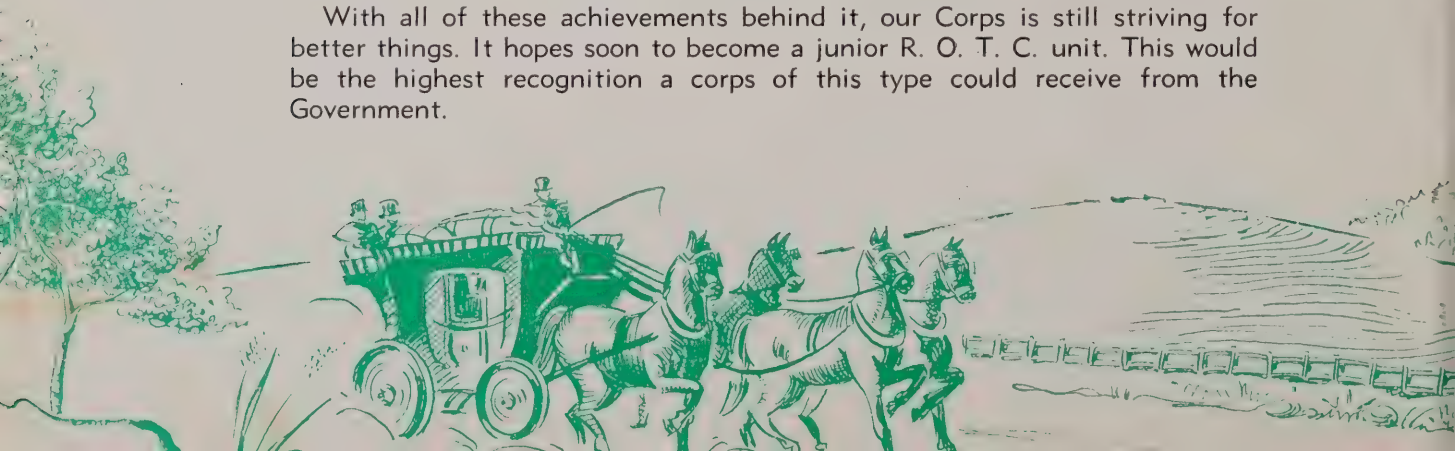

One of the outstanding features of the Thomas Jefferson Cadet Corps is its excellent military band. This band had already been organized for a number of years when the Corps came into existence, and so was ready to become a full-fledged military band at once.

During the years of the military regime, the Band has progressed steadily under the able leadership of Mr. Frank Wendt. First of all it has become versatile in concert work, playing with equal ease and precision the classical works of Dvorak, Sibelius, and Beethoven and the martial airs of Sousa and Hall. Second, it is now an efficient military unit with excellent discipline, well able to march with accuracy in the required band formations, and when the occasion demands, in company formation. Many Band members also take part in optional Corps activities, such as the rifle team, aquatics, and athletics.

For these achievements the Band received the Corps efficiency cup in June 1945. This, along with various articles in the JEFFERSONIAN, Richmond papers, and even in papers of other Southern cities, suggests that the Thomas Jefferson Band is one of which the Corps as well as the whole school may be justly proud.

The Thomas Jefferson Corps has also produced an excellent rifle team, which has been functioning since the Corps was organized. The team meets each Saturday at the police rifle range for a three-hour practice from nine A.M. until noon. After the Corps was recognized as a 55-C unit in September 1944, the Rifle Team received a shipment of .22 caliber Matchmaster rifles. With these rifles the team, in addition to winning the city championship, has taken many honors in national competition. In 1945 it was placed fourth in the nation in class B competition of the Postal Trophy Matches.

With all of these achievements behind it, our Corps is still striving for better things. It hopes soon to become a junior R. O. T. C. unit. This would be the highest recognition a corps of this type could receive from the Government.

Jeffs Tie for City Championship Wallop John Marshall 46 to 0

Howren and Andrews Top Scorers

The Thomas Jefferson Varsity football squad of 1945 achieved a brilliant record of 8 wins, 2 losses, and a tie. The highlight of the season, of course, was the smashing win over Jayem, 46-0.

According to Coach Shelburn Carmack the team was every bit as good as the 1943 State Champions. The Jeffs presented a hard running backfield behind a big fast line coached by Hank Noble.

The Presidents placed two men on the All-State squad, guard Jimmy Duckhardt and tailback Don Howren. Duckhardt was rated by Coach Carmack as the best guard he has coached in fifteen years.

Donald Howren (Back)

Howren was a great breakaway runner and also bore the brunt of the Jeffs' aerial offensive. Tackle Otto Brauer was placed on the second string, while Jack Jones, center, received honorable mention. All of these men received all-city awards, along with end Albert Ride and fullback Wilson Andrews. The scorers were led by Howren with 49 points, but he was followed closely by Andrews with 48 markers. Tom Cunningham, wingback, amassed a total of 37 points, while quarterback Artis Mills racked up 24 tallies. Other Jeff scorers were Johnny Baylor, 12, Albert Ride, 6, Bobby Fleming, 6, and Jimmy Duckhardt, who scored a safety counting 2. David Rose converted 6 extra points while Joe Mathias booted 4.

Jeffs Trounce Morrison 25-0

The Presidents inaugurated their season by overwhelming Morrison 25 to 0. The Jeffs displayed a powerful running attack led by Wilson Andrews and Donald Howren.

The Jeffs' first score came as a result of a fumble recovered on Morrison's 33-yard line. Howren then cut off guard to race the remaining distance to paydirt.

After Andrews, Howren, and Fleming had successfully driven down to the 4-yard marker, the fullback finally crashed over for

the score, and the Jeffs led at half time 13-0.

On the first play after the half Don Howren broke away for a 50-yard jaunt that pushed the Jeffs out in front 19-0.

The last Jeff tally was scored by Tom Cunningham late in the fourth quarter on a quarterback sneak.

Jeffs Roll Over G. W. 20-6

Scoring in three quarters, the rampant Jeffs rolled over lighter Alexandria to the tune of 20-6.

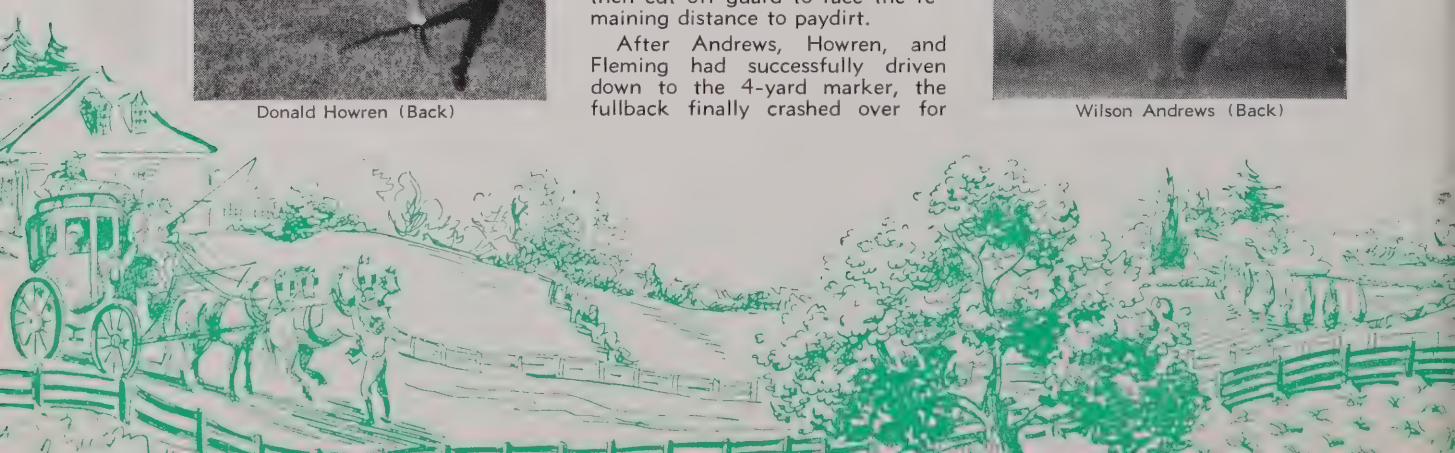

Andrews climaxed a 70-yard first quarter march led by Fleming and Howren by smashing 8 yards for the score.

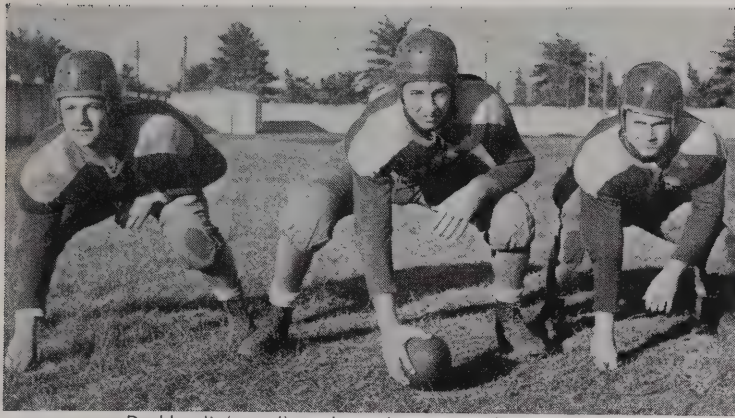

The second Jeff tally was set up by a 37-yard aerial from Howren to Foxworth on the 3-yard line. Cunningham then cracked over for the score.

Andrews' second touchdown followed a George Washington fumble late in the third quarter. Andrews tallied on a 2-yard smash off tackle.

Rampant Presidents Rout Lighter Blackstone, 34-0

The Jeffs continued on their victorious way as they smashed Blackstone 34-0 for their third win.

Johnny Baylor led the Jeffs to touchdowns in all four quarters to take an easy victory. Howren, Andrews, and Fleming also shone.

Andrews scored the first touchdown when he cracked over on a power buck. Minutes later Duckhardt raised the score to 8-0 when he tackled a Blackstone passer in the end zone.

With Andrews, Howren, and Fleming advancing the ball regularly, the Jeffs moved down to the 13-yard line, from where Howren spun over guard for the score.

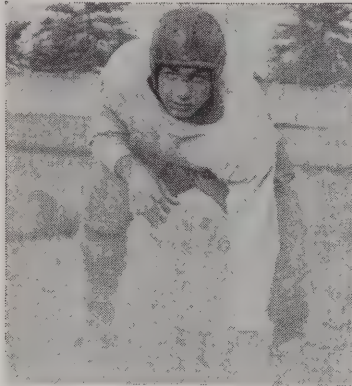

Two President speedsters, Baylor and Fleming, scored the Jeffs' last three touchdowns. Baylor scored on runs of 35 and 10 yards. Fleming scored the last Jeff tally on a 17-yard sweep around left end.

Crimson Wave Mudders Outwade Presidents, 13-0

That rain and mud go with a defeat was the story as the Jeffs

lost their first game to Petersburg, 13-0.

This game marked the hip injury of tackle Otto Brauer, which considerably hampered the Jeffs' chances in later contests. Baylor and Fleming were the only Jeffs able to move in the mud.

Jack Kerneklian (tackle)

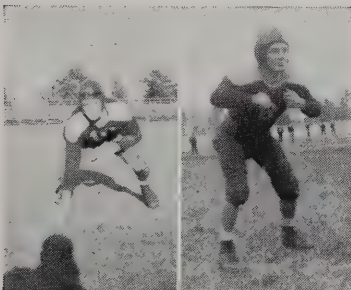

The Crimson Wave played their cards carefully and scored in the first and third quarters on a blocked punt and a 30-yard off tackle run.

Mighty Granby Downs Jeffs

Duckhardt and Mills starred defensively for the Jeffs as they lost their second successive game to the powerful Granby State Championship Squad.

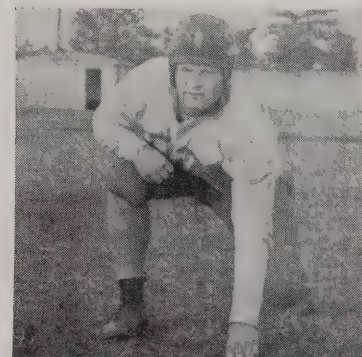

The Presidents were never in the ball game as the Comet backs paraded to touchdowns in all four quarters to completely overpower the Jeffs 33-0.

Duckhardt and Mills showed the way for the valiant Jeff defensive game as they made tackle after tackle.

Eugene Foxworth (end)

Big Red Edges Hampton 7-6

The Jeffs bounced back into the win column as they edged Hampton, 7-6, in a thrilling contest under the City Stadium lights.

Early in the third quarter, Donald Howren took a punt on his own 12-yard line, cut for the sidelines, and raced 88 yards behind perfect interference to paydirt.

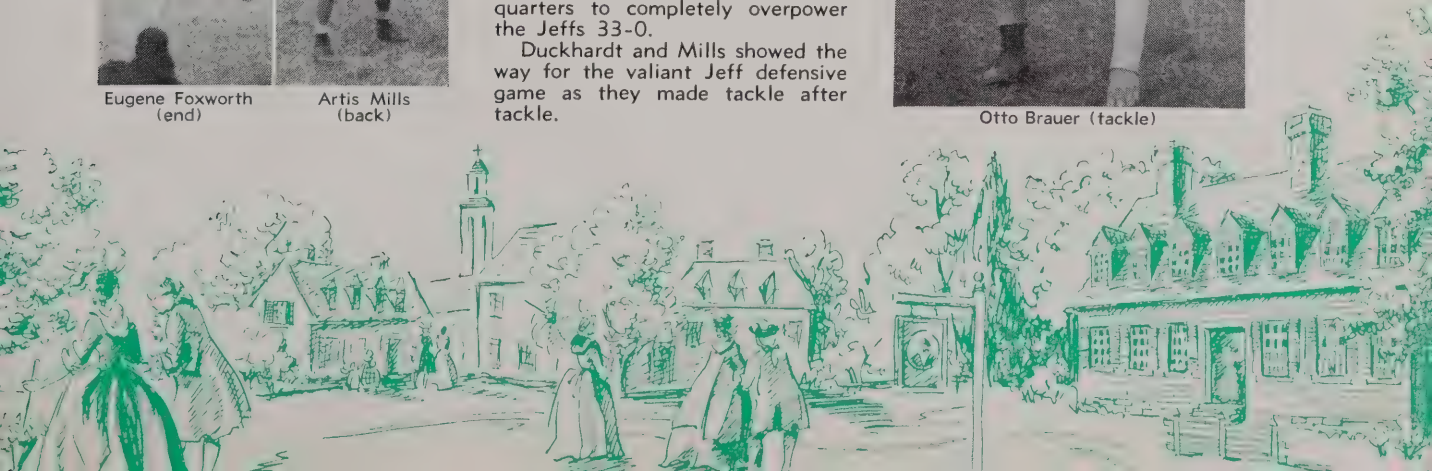

The game was a "see-saw" thriller, with the Crabbers out-playing the Jeffs in the early moments of the game and scoring in the second quarter.

The Jeffs completely dominated the play in the second half and walked off the field with a 7-6 victory by virtue of David Rose's perfect conversion.

Jeffs Play St.-C. to 6-6 Tie

The Presidents and the Saints from Westhampton waged a long, hard battle on the City Stadium field only to have it come out in a 6-6 tie.

With Andrews and Baylor bearing the brunt of the offensive, the Jeffs were able to move up and down the field for short consistent gains, but had to fight for every inch near the goal line. The Jeffs crossed the goal line three times,

Howren goes over the top against St. Christopher

but were called back twice because of penalties.

Late in the fourth quarter Tom Cunningham took a pass from Howren on the 25 and raced over.

Jeffs Stop Roanoke 13-0

The Jeffs, with Andrews and Howren showing the way, spoiled Old Grads' Day for Roanoke as they defeated them 13-0.

The Jeffs were in the driver's seat all the way, and the Magicians were unable to penetrate beyond the Jeffs' 35-yard line.

Andrews personally conducted a 62-yard drive in the third period and then climaxed it by plowing over for the score.

With Andrews and Howren gaining consistently the Jeffs scored

again in the fourth quarter when Artis Mills cracked over on a quarterback sneak. David Rose converted from placement.

Albert Ride (end)

Presidents Outclass Benedictine 37-0

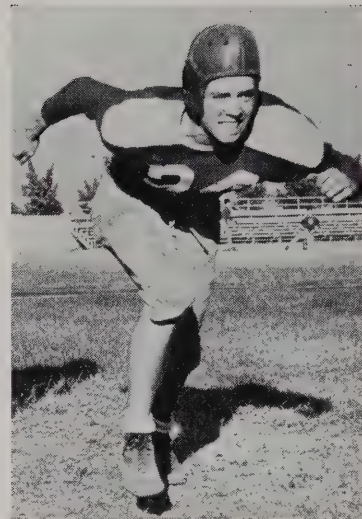

The Belt Liners avenged last year's upset by the Cadets, with vicious pleasure, as they snowed them under 37-0.

On the first play from scrimmage Howren scored his first tally on a 71 yard sprint through guard.

Minutes later Otto Brauer recovered a fumble on the Cadet 20 and Howren raced around end for his second score.

Late in the second quarter left end Albert Ride intercepted a pass on the Jeff 42 and raced 58 yards down the sidelines to put the Presidents ahead 18-0 at the half.

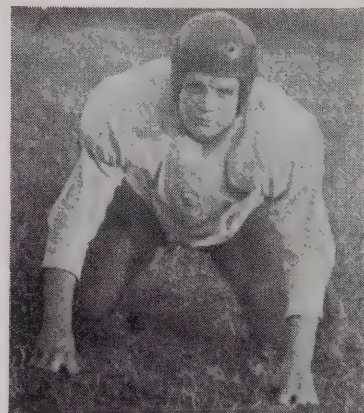

Jack Jones intercepted a pass on

Tom Cunningham (back)

the third play after the half, and minutes later Andrews plowed over from the five. Tom Cunningham made the Jeffs' fifth touchdown when he scored on a reverse.

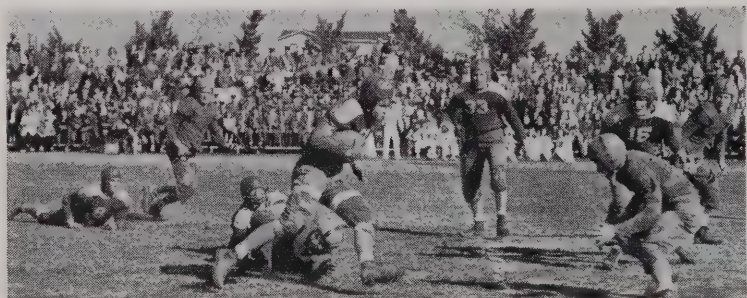

Howren completed the Jeffs' scoring when he gathered in a punt on his 12 and raced 88 yards.

Jeffs Rout John Marshall Before 18,000 Fans, 46-0

The mighty Jeffs reached the towering peak of their season's efforts as they buried rival Jayem under an avalanche of 46 points.

Wilson Andrews scored three touchdowns to lead the Jeff scorers, while Tom Cunningham scored two. The rest of the Presidents' backfield, Howren and Mills, scored one each.

Cunningham scored the Jeffs' first two touchdowns in the first quarter, the first on a 17-yard pass from Howren and the second when he faked a pass and raced 41 yards for the score. Rose converted after both scores.

Ride played a stellar game as he threw a devastating block on the Jayem safety to enable Andrews to complete his 69-yard touchdown jaunt in the second quarter.

Howren passed for another score in the third quarter when he tossed a 15-yarder to Mills in the end zone.

Big Wilson Andrews scored the Jeffs' next two touchdowns on goal line smashes in the third and fourth quarters. Rose converted after the first and Howren after the second.

Howren scored the Jeffs' last touchdown when he took a 17-yard aerial from Cunningham in the end zone.

Presidents Blank Devils in Final 6-0

The Jeffs completed their highly successful season as they edged Hopewell in a Thanksgiving clash on Shawen Field.

Wilson Andrews was the work horse of the Jeffs' 50-yard scoring drive in the fourth period when he

hit the line for repeated gains. Mills scored, however, when he cracked over the half-yard line.

Fleming and Duckhardt also played stellar roles in the hard earned victory. Fleming was a big gun in the Jeff offensive, while Duckhardt blocked a Hopewell punt in the second half.

Initial Junior Squad Hang Up 2-3 Record

Trying to prepare players for the varsity was the purpose in forming the Junior Squad. Although they worked hard, they won only two out of five games, as they were handicapped by playing tough Class "B" teams.

Losing their first three games to Glen Allen, Highland Springs, and the St. Christopher Reserves seemed to wake them up. They bounced back to rack up a victory over Manchester, 33-12, and lay low the Boys Home team 12-0.

Considering the fact that this was the first year that Tee Jay has

Coach Carmack, Howren, and Foxworth with city trophy.

had a Junior Squad, they made a good showing. They were under the excellent coaching of Welton (Spud) Bloxsum.

Sophomore Footballers Carve Out Clean Slate

The unheralded and unrecognized sophomore squad displayed great ball playing last season, as they won four games out of as many starts.

The sophs, coached by Ed Smith, opened their season by overwhelming Manchester by the score of 26-6. Varina also proved to be an easy touch for the soph gridders as they goose-egged them 26-0.

By twice defeating the Junior Varsity gridmen from St. Christopher's 14-0 and 7-0, they rounded out a nearly perfect season that saw only 6 points scored against them.

Fullback Sam Vint led the scoring by racking up 24 points. End Sydney Lee followed closely with 19 markers. The rest of the scoring was distributed among Caleb Wallace with 12 points, George Chumbley with 11, and Ray Quarles with 7.

Jefferettes Victorious Twice, Tie One

The hockey team, with only four letter lassies returning, was slow in forming, but with the aid of the progressive sophomores, the "starting eleven" began to develop. By

Maude Levey, Manager

traveling to Petersburg we began our season victoriously with a 2-1 score. With TeTe Brauer making a lone tally in the Collegiate game, we were the "underdogs," with a score of 4-1. Playing host to the ever-powerful St. Catherine's shincrackers, we again met our defeat by the skill of their center-forward, who chalked up three goals. The game ended with the score 5-0. However, our spirits were lifted when we triumphed over our down-town rivals with a count of

9-2. TeTe Brauer led the scoring with four goals, while Phyllis Farmer and Barbara Ashby followed with two goals each. Our next game was a hard-fought one. Nell

Elisabeth Brauer and Rose Marie Sullivan, Co-Captains

SOPHOMORE SQUAD

Washer and Barbara Ashby each made a goal for Petersburg and Tee Jay respectively, ending the fray 1-1. Our last varsity game was an upset, when the Justices avenged their defeat by a 4-3 victory.

Reserves Set Record

The Reserves, winning three out of four games, had an outstanding season. For their first game, they visited Collegiate, defeating that team 1-0. Their only setback came in their second game, when they lost to St. Catherine's 5-2. As guests of John Marshall, they added a 1-0 victory to their record. In the return engagement, the reserves white-washed the Justices, 6-0. Hilda Beckh, star-

ring for the Jeffettes, made three goals.

Sophs Win Two Games

The Sophomores, who played three games with Hill, chalked up two victories to one defeat. They left Hill behind with a 2-0 score in the first

tilt, but Hill made their comeback in the next game with a 2-0 triumph. Determined to prove that they were better, the Sophs towered over Hill once again, winning 6-0.

Tee-Jay Cagers Win State Championship

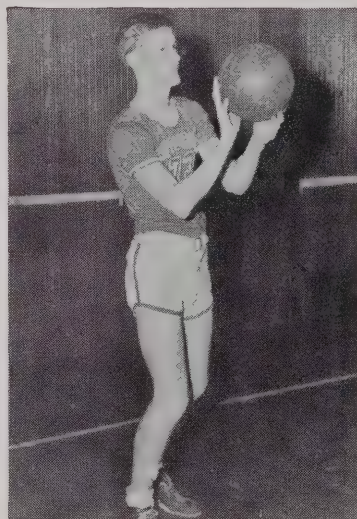

Three Jeffersonians All-State

For the fourth time in as many years Thomas Jefferson High's Basketball team reached the State finals, and for the second time the Jeffs walked off the court with the championship.

The Jeffs faced Roanoke in a thrilling "story book finish" in the finals, winning 23-22, with less than a minute to go. A double foul was committed, with Roanoke getting first crack at the basket. When the Roanoke player missed, Don Howren stepped up to the foul line amid breathless silence and sank the point that broke a 22-all tie and gave the Jeffs the title.

Although the score was higher in the semi-finals clash with Granby, it was undoubtedly the best game of the playoffs. The Granby quintet had gone scholastically undefeated prior to the game, which

the Jeffs won 34-22. Exhibiting a faultless defense and a high-geared offense, the Jeffs jumped into a quick lead, and although closely tailed were never headed.

Gene Foxworth

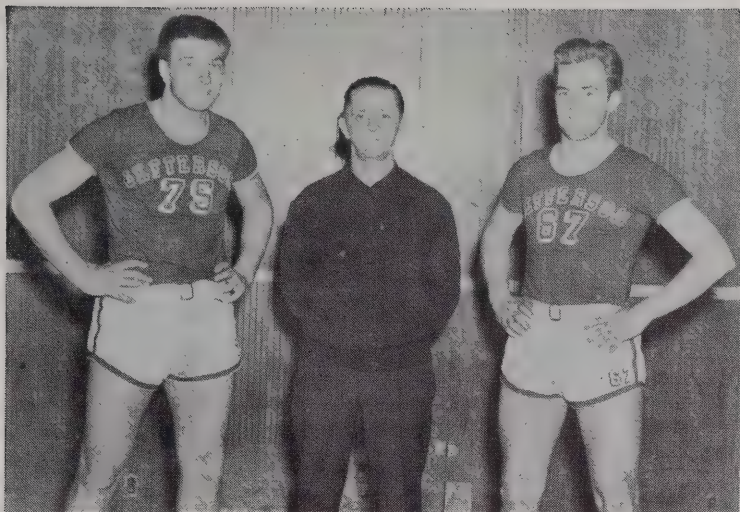

Jones Captain of All-State

Three of the Jeffs were honored on almost every all-star team in sight, these three being Jack Jones, Eugene Foxworth, and Bob Trombold. They were placed on the all-city and all-district, and climaxed their hardwood careers when they were selected on the All-State squad. Jones, a repeater on all of these selections, was honored with the captaincy on all of them. Jones also won the Hank Wolfe trophy as the most valuable player in the city and the Cy Slavin foul shooting trophy.

Win 19, Lose 4

The Jeffs experienced a brilliant record of 19 wins against 4 losses. During the regular season they went down twice in defeat before

Jack Jones, Coach Bloxsom, Don Howren

Granby. They split two games with Lynchburg and lost to Greenville High of South Carolina, 28-27, in the first round of the Duke Tournament. They won two games from their arch rivals, John Marshall, St. Christopher's, Benedictine, Hope-well, Maury, Hampton, and Peters-burg. Also on the Jeffs' victory list were three victories against Roa-noke.

Bloxsom Builds Effective Team

Much credit should go to Coach Welton E. (Spud) Bloxsom for building such an effective team, which won the City title and the Central District Championship. With only two lettermen back, Co-Captains Jack Jones and Don Howren, Bloxsom had to start from near scratch. Gene Foxworth was a transfer from Raleigh, Bob Trombold was a reserve last year, and Tom Cunningham came up from the sophomore team. Don Phillips and Lou Shilling were also from last year's reserves. Phillips is the only one to return for next year's team.

Jones Leads Scorers

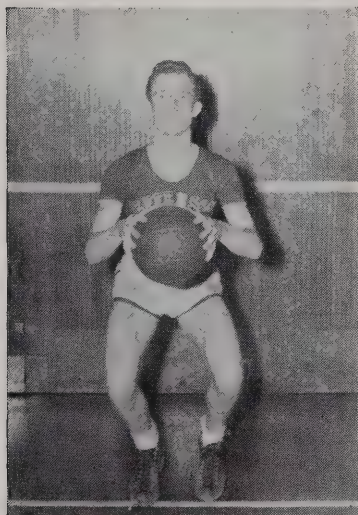

City scorers were led for the second year by Jack Jones, who racked up 251 points, of which 53 were foul shots. In the next three places were Bob Trombold, with 168 points, Gene Foxworth, with 158 points, and Tom Cunningham, with

129 markers. Also high in the race was Don Howren, with 111 buckets.

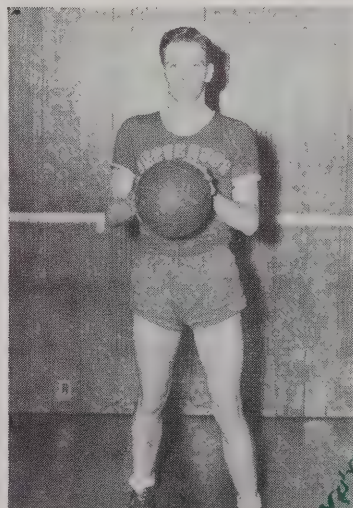

Although Don Howren did not receive so many honors as some of the other Jeffs, he was one of the most valuable men in the offense. His dribbling and ability to set up plays were constantly being praised. The year also marked the Jeffs' first invitation to participate in Duke's Tournament of Champions.

Sophomores Undefeated

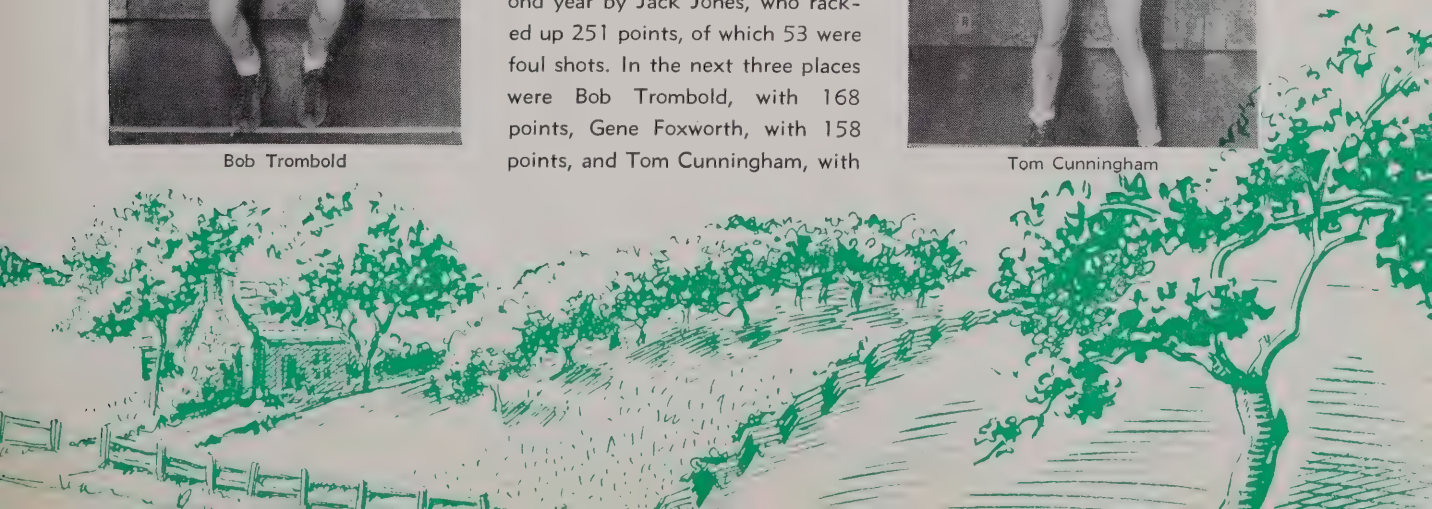

Also experiencing a banner year were Coach Shelburn Carmack's "B" team. Playing against some of the tougher Class "B" teams around the city, they rolled to a perfect record of 15 wins against no losses. With all of the varsity first stringers graduating in June, much will be expected of the members of this squad. Delmar Sylvia was the high scorer of the club, while Mickey Mills, Russell Cheatham, Ray Quarles, and Grady Whitehorn were other standouts.

Girl's Basket Ball Varsity Sets Spectacular Record

From the three returning veterans, Gatewood Holland and Elisabeth Brauer were elected co-captains. With practices starting in December, the team got off to a good start.

After Christmas we began our schedule by playing Petersburg. It

was a very hard-fought game, but the Jeffettes were able to defeat them 20-18. Our next rival was Varina, who succeeded in out-scoring the Jeffettes early in the game. The rally ended with Tee Jay trailing 33-38. We played Waynesboro in our next contest. The Jeffettes won the laurels 31-24 in a well-rounded game. At St. Catherines Tee Jay was unsuccessful, being de-

feated by a score of 30-40. Traveling to Hopewell, the Jeffettes were very pleased when we were able to chalk up another victory on our records. By the help of promising sophomore forward Alma Lake, who scored twenty-one points for us, we defeated Hopewell by 52-36. At John Marshall, they took the lead up to the end of the game. With a few minutes to play, Tee Jay was one point behind, when Rose Marie Sullivan made a final basket and we won a 35-34 victory. Collegiate was our next opponent. The Jeffettes combinations had little trouble in defeating them by a score of 29-20. The substitutes proved their value by starring in this game. In the return game with Hopewell, we overcame their threats early in the game and once again outscored them by a count of 54-30. Visiting Petersburg, the Jeffettes made a much better showing than in the first game. Petersburg took the lead early in the game, but we began outscoring them by the end of the first quarter. The rally ended with Tee Jay towering over Petersburg by a score of 35-18. This end-

ed our season of playing high school opponents, but we had the pleasure of playing some of the Tee Jay Alumnae. Since they had not practiced together, we were able to defeat them by a score of 39-32.

Reserves

The Reserves record of four victories against two defeats is an outstanding one. In the first game against Petersburg the Reserves were able to defeat them 21-18. Varina proved to be too powerfui

for the Reserves and was victorious by a score of 23-24. John Marshall was the next opponent to yield. The Justices were defeated by the Reserves by a score of 30-18. In their next game the Reserves defeated Collegiate 25-16, with Jean Hawkins high scorer for Tee Jay. In the return game at Petersburg, their team took the lead, but with keen determination the Jeffettes passed their opponents and the score was 39-21. In their last game, against St. Catherine's the Tee Jay Reserves were the underdogs by a score of 30-38

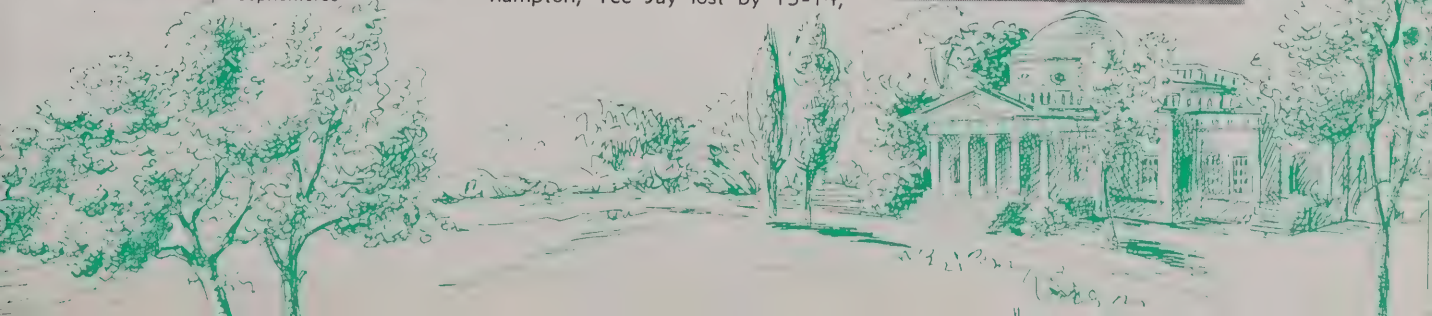

Sophomores

The Sophomores played four games, of which they won two, lost one, and tied one. The Sophs had a hard fought game with Hill, but the score was 1-1. With West-hampton, Tee Jay lost by 13-14,

but they were able to do better in their next game. They won the game with East End by a score of 22-18. For their last game, the Sophs overcame Binford by a score of 14-10.

Baseball, 1945-1946

The 1945 Jeff stickmen started the season off right by topping Battlefield Park 9-5. They were set back, however, by Petersburg 10-4. The Red Sox nosed out John Marshall 14-11 and then routed Hopewell 11-2. Their first game with Benedictine was rained out, but the Cadets snuffed them out with an 8-0 victory in the second game. This was followed by a four-game winning streak. The Jeffs beat Midlothian 16-4, gained their revenge from Benedictine by a 5-3 score, and topped Petersburg and Hopewell 7-4 and 7-6 respectively. After being beaten by St. Christopher 16-1, the Jeffs, rated as the underdogs, made a great rally under the excellent hurling of Cardoza, and beat the Saints 2-1. The season was closed as the Jeffs lost by 11-3 to John Marshall. Most of the mound work was done by Cardoza, Kirtley and Lewis. Doyle and Cunningham acted as relief pitchers. The men who received letters were Cardoza, Kirtley, Dwyer, W. Cook, Jones, Moughamian, Cunningham, Lewis, Redford, Waters, and Manager Norris. • The men returning to the 1946 nine were Tom Cunningham, Gene Doyle, John Dwyer, Jack Jones, Bobby Lewis, and Henry Moughamin. They started the season by defeating Caroline High of Bowling Green by a score of 5-2. Gene Doyle did excellent hurling to bring them through.

Girls' Softball, 1945-1946

The 1945 softball team, captained by Mary Lou Nelson, won four and lost two games. We won twice from John Marshall, 12-6 and 21-12, and split two games with Petersburg, the first 14-13 in their favor, and the second a victory for us, 11-9. In the lead-off game we outscored Hill 20-14, but later in the season bowed to them by a score of 9-6. • The 1946 squad began its practices early in April, anticipating a great and successful season. Their schedule included two games each with John Marshall, Hopewell, and Petersburg, and single events with Hill, Binford, and Westhampton. Bunnie Singleton, Doris Madison, and Janet Johnston were candidates for catcher, while the competitors for the pitching assignment were Alma Lake, Betty Sherman, and Nancy Alexander. Girls returning from the '45 squad included Rose Marie Sullivan, Florence Read, Fay Redford, Carol Sachs, and Gatewood Holland.

Boys' Track, 1945-1946

After placing sixth in the 1945 Charlottesville Indoor Meet, the Tee Jay harriers made a great come-back to win all of their dual meets, a record never before equalled in the school's history. They placed second in the annual Tidewater meet. The scores for the season were as follows: Charlottesville Indoor Meet, sixth; Tee Jay 60 1/2, George Washington 57 1/2; Tidewater Meet, second; Tee Jay 75, Woodberry Forrest 52; Tee Jay 63 2/3, Maury 53 1/3; Tee Jay 98 1/3, Petersburg 8 2/3; Tee Jay 65, Granby 52; Tee Jay 88 5/6, John Marshall 28 1/6; Tee Jay 89, Glass High 32. • The Jeffs were led by Bobby Lacy, who ran both the low and high hurdles and participated in the high jump. He was high scorer for the year with 122 1/2 points. • The sixteen trackmen who received monograms were Lacy, Andrews, Harris, Baylor, Fuller, Snidow, Ride, Sease, Ellis, Fleming, Jordan, Brauer, Hughes, Deierhoi, Emushwiller. • The 1946 track team, co-captained by George Harris and Wilson Andrews, placed third in the Charlottesville Indoor Meet, with Albert (Bootsie) Ride setting a new indoor high school record for the shot put. Lyle Snidow also set a new state indoor record for the 44-yard dash. In their first dual meet of the year, the Jeff thinclads defeated Alexandria 67-39. In this meet Ride broke the school record for the shot put, hurling the steel-ball 48 feet 3 3/8 inches.

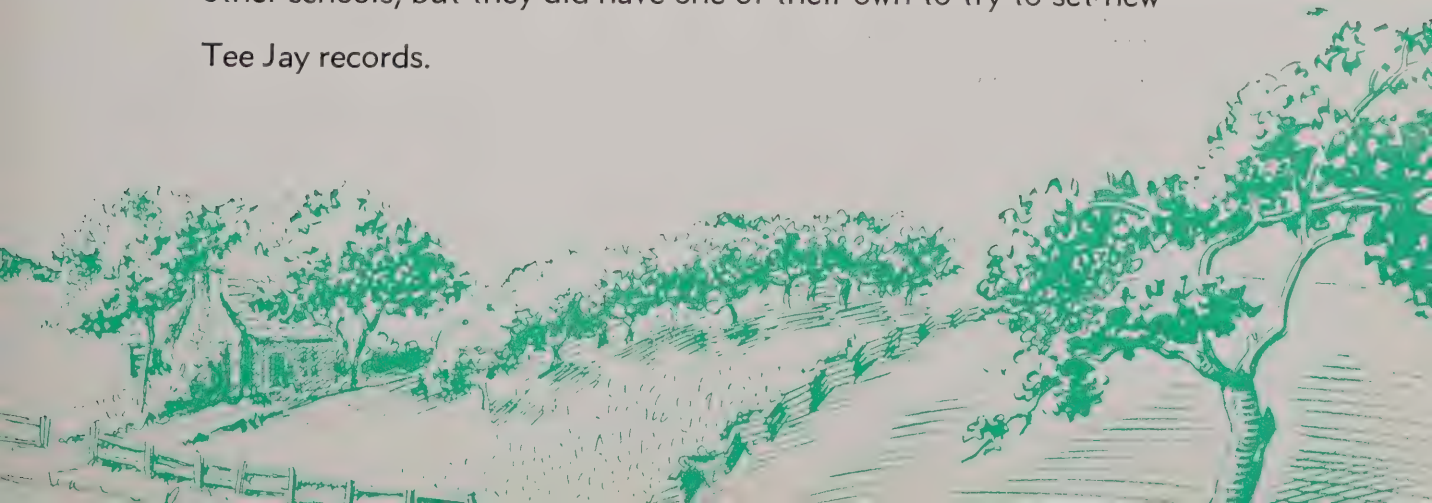

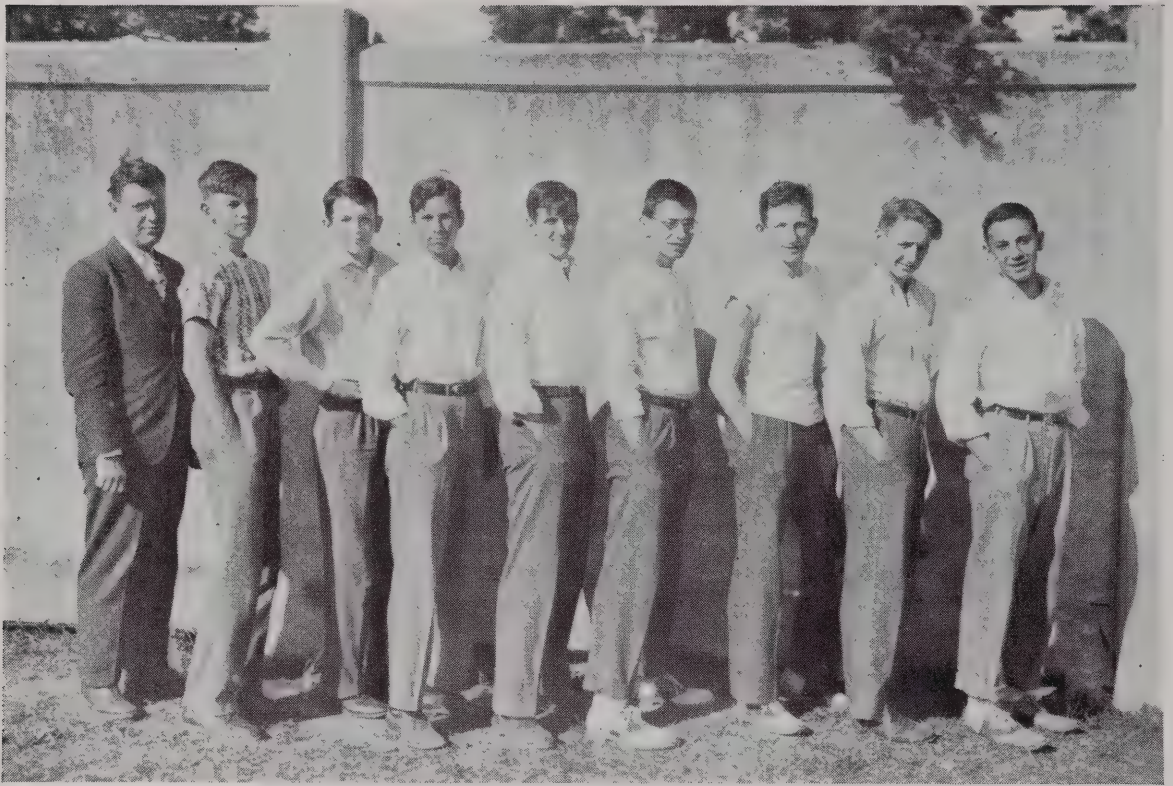

Kneeling, Left to Right: J. Willis, J. Pampin, A. Maddox. Standing: N. Alexander, V. Crosby, A. Lake, D. Waldrop, H. Lake, B. Ashby, R. M. Sullivan.

Girls' Track, 1945-1946

There were so few girls out for track in the spring of 1945 that they were unable to compete with other schools. They did try to better the school records, and one was broken by Virginia Crosby in the running hop-step-jump. • This year the team consisted of the outstanding girls in the gym classes, track being an activity of the physical education department. They did not have meets with other schools, but they did have one of their own to try to set new Tee Jay records.

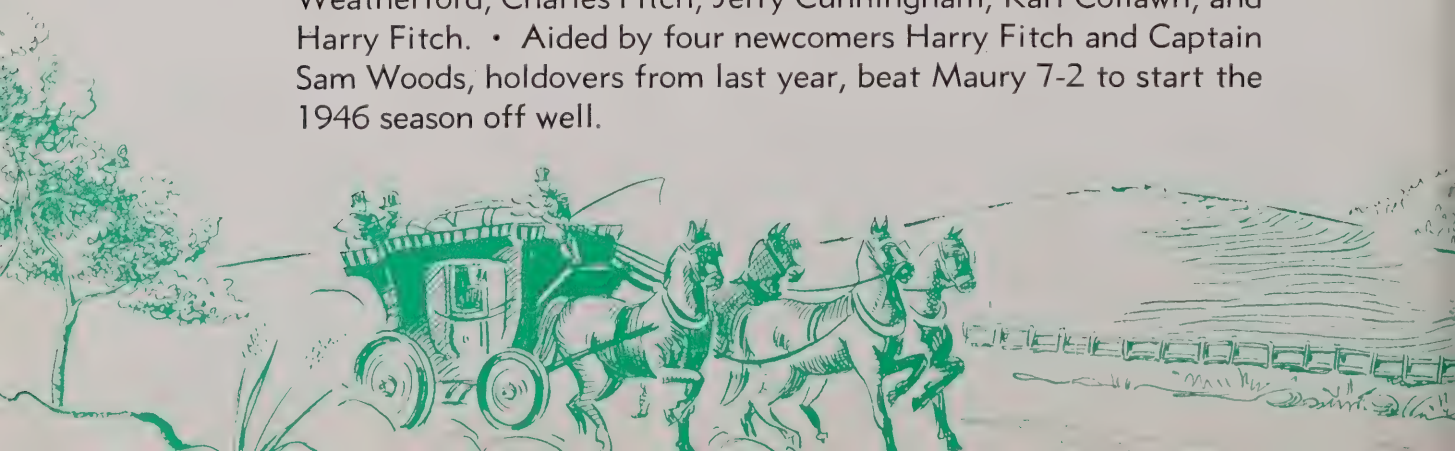

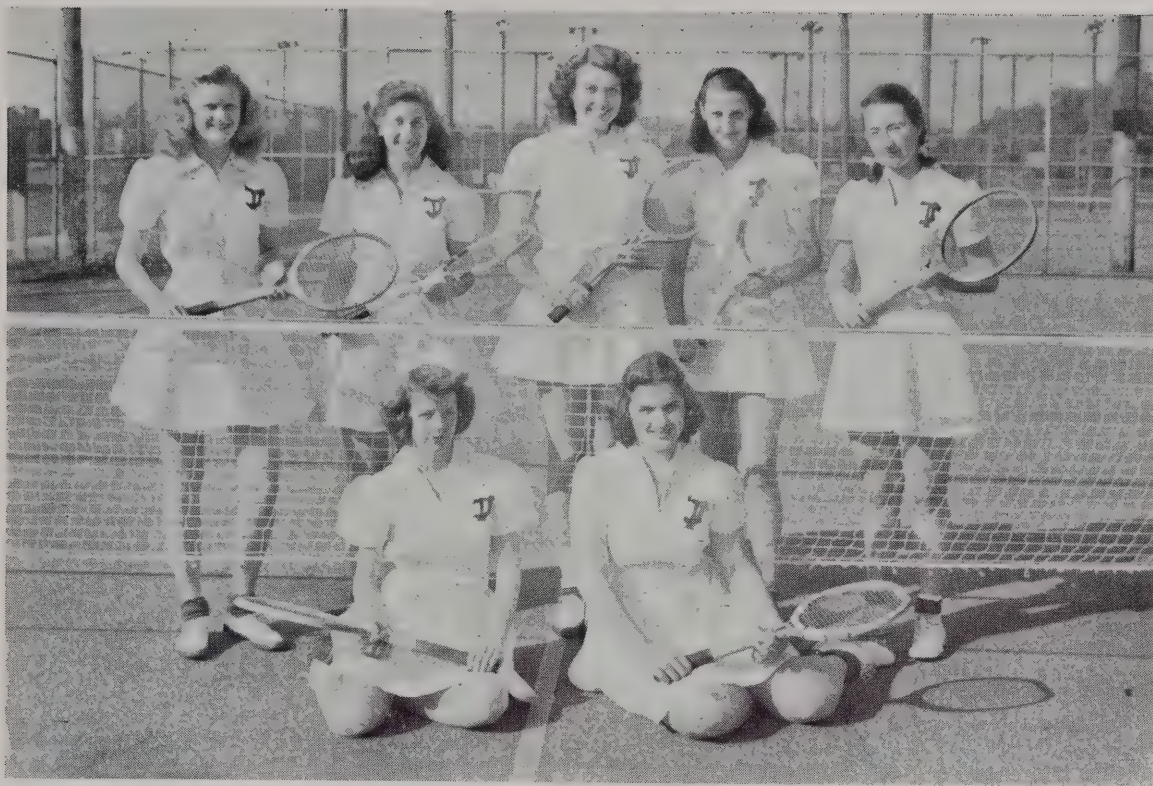

Left to right: Coach Arnold, Harry Fitch, Captain Sam Woods, Delmar Sylvia, Harold Straus, Dave Wolfe, Bill Dulaney, Gregory Weatherford, Jerry Gumenick.

Boys' Tennis, 1945-1946

The 1945 Tee Jay netmen started the season off right by defeating Woodberry Forest 8-1, Fork Union Military Academy 6-0, and St. Christopher 5-4. Woodberry Forest broke the winning streak by edging out the Jeffs 5-4. The Belt Liners nosed out the powerful St. Christopher team again by a score of 6-3. Winning the last game of the season against Fork Union 6-3, the Jeff netmen made the fine record of five wins against one loss, which gave them the state championship. Returning from the '44 team were Dick Berry and Sam Woods, Jr., who worked with Boxie Wood, Gregory Weatherford, Charles Fitch, Jerry Cunningham, Karl Collawn, and Harry Fitch. • Aided by four newcomers Harry Fitch and Captain Sam Woods, holdovers from last year, beat Maury 7-2 to start the 1946 season off well.

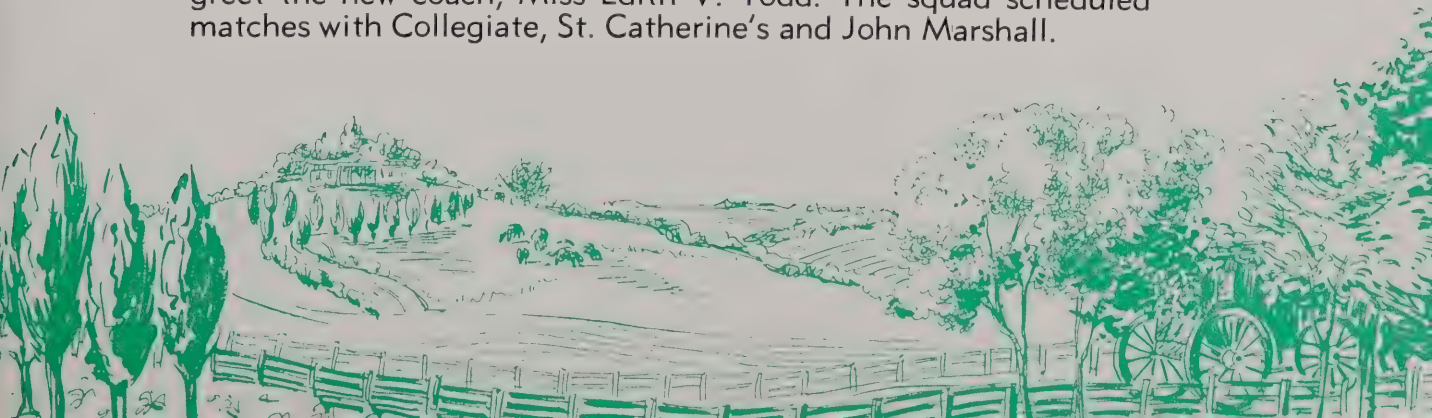

Sitting, Left to Right: B. Hamilton, H. Beckh. Standing: E. Brauer, M. F. Cohen, M. Hough, E. DeWolf, C. Jones.

Girls' Tennis, 1945-1946

Thomas Jefferson's 1945 varsity girls' tennis squad, under the guidance of Mrs. Frances B. Young, experienced a good season, emerging victorious in three matches and dropping only two. The femme racqueteers posted wins over R. P. I., 3-2; Collegiate, 4-0; and their arch-rival, John Marshall, 4-1. However, the team suffered setbacks at the hands of Westhampton, 3-0; and St. Catherine's, 4-0 • Marjorie Norris held down the number one spot on the court team, with Elisabeth Brauer second and Bruce Hamilton in the number three position. In addition, Anne Howell and Martha Ann Williams teamed up to form the first doubles team, with either Mary Frances Cohen or Joyce Cooke pairing off with Diane Brown to make the other doubles combination. • The 1946 team was hard-hit by graduation, with only three letterholders, Elisabeth Brauer, Bruce Hamilton, and Mary Frances Cohen, returning to greet the new coach, Miss Edith V. Todd. The squad scheduled matches with Collegiate, St. Catherine's and John Marshall.

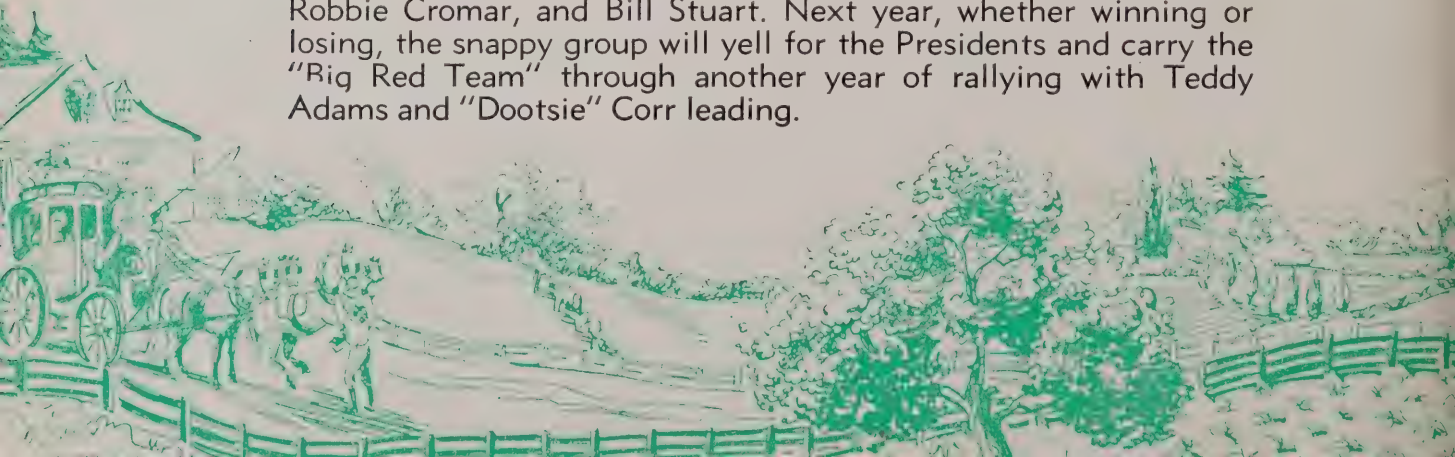

Left to Right: Gilbert Armbrecht, Jean Zickrick, George Harris, Margaret Bryan, "Doot" Dunford, Mary Anne Spain, "Robbie" Cromar, Bill Stuart, Shirley Donahoe, Forrest Bailey.

Jefferson, Jefferson, Yea!

Once again the cheerleaders have led us through a glorious year. They cheered at every game the Jeffs played. To Roanoke, Alexandria, and Petersburg, they traveled to help the "fighting red." Heading this peppy squad were Mary Anne Spain and "Doot" Dunford, who were assisted by Jean Zickrick, Gilbert Armbrecht, Shirley Donahoe, Forrest Bailey, Margaret Bryan, George Harris, Robbie Cromar, and Bill Stuart. Next year, whether winning or losing, the snappy group will yell for the Presidents and carry the "Big Red Team" through another year of rallying with Teddy Adams and "Dootsie" Corr leading.

Christmas Dance

"A good time was had by all" at the Senior-Junior Dance. The figure, led by Mary Lee Rankin and Jim Singleton, began at 8:30, the girls wearing traditional white and the boys in dark suits. Both boys and girls received rings as figure favors. Although the "Big Snow" kept away many, a good number turned out to dance to the music of the Windsors. The gym was decorated in white, with a large Christmas tree, beside which the favors were presented.

SKIPPY FORREST Perhaps at some time of the day you have seen in the hall a medium sized guy smiling from ear to ear. This is Tee-Jay's Skippy Forrest. Skippy is the Vice-President of the S. P. and a First Lieutenant in the Band. Being too small for football, he makes up for it by being manager. He is also a member of the Hi-Y. Skippy is a friendly and all-round fellow.

DONALD HOWREN

A senior well known to teachers and students is Don Howren, one of Tee-Jay's outstanding athletes. Whenever there's a game, you know he's in there giving his all. He has received so many honors that the girls are beginning to swoon over him as if he were "the Voice." Don, however, takes all of this in his stride and continues to be one of the most popular boys at Tee-Jay.

EDWARD DUNFORD Rarely do you find a person with school spirit, leadership, intelligence, and a wonderful personality — but then Edward Dunford is a rare fellow. "Doot," during his career at Tee Jay, has become Senior Cheer Leader, Feature in the Cadet Corps, exasperated the faculty, and won the affection of his fellow students. It has been indeed a privilege for Tee Jay to know him.

JACK JONES If anyone around T. J. asks, "Who is one of the best athletes in school?" the answer frequently is, "Jack Jones." It isn't enough for him to star in two sports, but he has to star in three. Another thing Tee-Jayites like about Jack is his witty repartee. Whenever a crowd is heard laughing, Jack is probably in the midst of it. Everyone will remember him as an all-time star.

ELIZABETH HERRINK

Packed into five feet and two inches is a wealth of friendly, gay spirit belonging to a very popular senior, Elizabeth Herrink. Bubbling over with cheerful energy, Betsy has climaxed a busy useful career at T. J. by serving as the Treasurer of S. P. Whenever a job has to be done, ever a Betsy's multitude of friends will tell you she's the one who can do it. So with great pride we salute Betsy Herrink, a true Tee-Jayite.

GWEN ISBELL

Charming, capable, poised — this is an inadequate description of one of T. J.'s nicest students. As President of the National Honor Society, Gwen Isbell has led many of the school's important activities. As Secretary of S. P., she has given willingly of her time and efforts to the difficult problems of student government. Her engaging and fun-loving personality has made her a favorite with students and the high quality of her work has endeared her to her teachers.

MARY LEE RANKIN

One of the best known, most beloved girls at T. J. is the Senior Class President, Mary Lee Rankin. Her quiet, friendly, charming manner has won her many devoted friends. By doing a grand job of leading the class and by working as a Senator, Mary Lee has shown a superb quality of leadership as well as the ability to tackle difficult tasks. Knowing students like Mary Lee makes it a pleasure and a privilege to attend T. J.

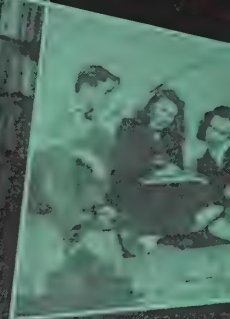

SHIRLEY SNELL One of the most outstanding girls at Tee Jay is Shirley Snell, Senior Class Secretary. Her pleasing personality and delightful disposition have made her a general favorite with both teachers and fellow-students. Shirley doesn't speak often, but when she does, she really has something worth while to say. As a member of the National Honor Society and the Quill and Scroll, she has shown herself an active citizen and an asset to her Alma Mater.

"You Are On the Threshold . . .

Of manhood and womanhood. Soon you will be taking on greater responsibilities and obligations. Some of you will continue your education, while others will find your places in the business world. Whatever your calling may be, a simple program of life insurance started at low cost while you are young will pave the way for greater things to come. Ownership of life insurance is a badge of character. Think it over, then call on us for complete details."

We have learned many things during the three-quarters of a century since we first began business in 1871. Not least among these is the knowledge that life insurance offers its best "bargains" to youth. You will need the matchless security provided by life insurance some day, and the sooner you invest in it, the more you get for your money.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

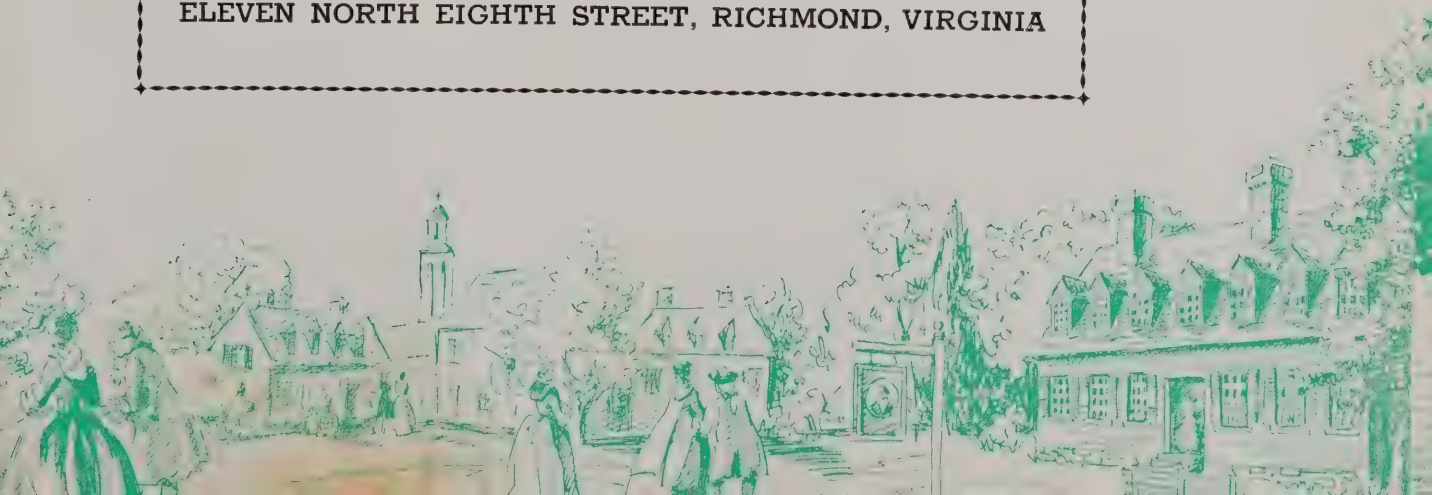

CHARTING A COURSE

IS JUST AS IMPORTANT IN YEAR BOOK PLANNING AS IN SAILING SHIPS. A WELL PLANNED COURSE WILL AVOID THE OBSTACLES EVER IN THE PATH OF THOSE WHO PROCEED WITHOUT ADVICE AND ASSISTANCE FROM EXPERIENCED PLANNERS. MANY YEARS OF ANNUAL PRINTING ENABLES US TO OFFER A HELPFUL SERVICE IN CHARTING A COURSE.
